Review meeting minutes from 2.12.2022

No comments on meeting minutes

Julie made a motion to approve, Neil 2nd: no opposed, no abstained

Current meeting minutes:

Group reports

-steps of transformation: has started strong, become official 3 weeks ago. Has good momentum and let twelve steps do their work. Received chips yesterday to pass out. Asking for help with where to order things, if there is one from 1 place. Business meeting last week. Voted on format, how to handle newcomers, etc., overall it went well. Talk about how to support financially during today's Intergroup meeting.

Broomfield: doing hybrid virtual, changed Saturdays to in person only. Added a newcomer today, 10 people on Saturdays as a new time is great. Had as many as 17 people during the week, group is growing.

No half measures: consistently 6-7 or more, yesterday there were 15. A lot of new people and sticking around and longtimers returning. GC yesterday: decided to move over to venmo as a private account so that its kept anonymous. Looking for more leadership at next months GC.

Spiritual awakening: about 25 during the week, around 10 on weekends. GC yesterday: no motions passed.

Into Action: had an increase in numbers recently and several newcomers.

Western Slope: Friday is bigger day on zoom for meetings. Grand Junction is only in-person meeting, consistently 4-6 people.

One Step Beyond: morning meeting has a strong attendance. GC: ongoing discussion of online. Zoom people seem to be coming back in person. Group inventory next Saturday, outside member is coming to help to provide support.

Pueblo: Monday meeting is consistent attendance.

No more excuses: 2-8 people attending depending on the day and more in person is increasing. Before Covid, planning a CSAT to come in and talk about relationship issues. Rescheduled for April 19th during the regular meeting, will remain a closed meeting.

One step at a time: hybrid continues, working well. 4-5 zoom in and now in person numbers increasing in last month, 8-12 people, who are new people.

Committee reports:

Unity conference: have several people who are volunteering. Sanon has their chair and volunteers. Asking for men to step up. Kick-off meeting on 3.13 at 3pm, use Intergroup zoom details so we can get a flyer ready for Kansas South/Midwest regional conference to be distributed. Ask that announcements be made at meetings to request for help, service opportunities. Scott H is able to provide previous years details to help.

Pen to paper: no decisions have been made yet.

A plethora of suggestions were given including the idea of two possible church locations and contact info of group members who could find out if and when those churches would be available.

No other committee reports

Neil's group since new, has requested some funds.

Started 3.5yrs ago and used only the White book. Did get a starter kit from SAICO. Have already gone through these materials and still need more materials. They would like to take up the offer. Reach out to Dustin who is Intergroup treasurer. Requesting the money be spent directly on materials/books. (big book, White books, Step Into Action, Real Connection.) Tim: reach out to SAICO and then Intergroup pay these funds.

Bob J: have documentation be kept of what we are doing, i.e., passing a motion.

Bob G: asking if there was a specific amount that was announced at last intergroup. Made a motion: the amount of \$350

Patrick: Asked what was part of the SAICO starter kit. The Real connection, white book, step into action and a bunch of brochures. The group has been giving away White books and sell the other books.

Larry: if you give away White books, have to collect funds at GC to keep that fund going.

Neil: haven't had a problem replenishing White books as staying members are willing to order. The problem has been having money to buy other literature.

Scott: \$350 is a seed and then eventually to pay back, or a partial pay back. Is \$350 enough or does the group want to come to Intergroup with a number that's better fitting

Patrick: does using Kindle instead help

Neil: 3 of 3 books at \$102 to get started, don't need \$350

Jillian: have some for group copies/lending library

Motion: Intergroup will give this group \$350 to start their library.

Vote: yes by all except Neil

No opposed

Neil : abstained

So moved. Neil will get in connection with Dustin/other member. Has the opportunity to pay and get reimbursed.

New business: none

Other announcements: none

Provided details for Unity and Wichita conference so everyone had details to announce their groups
