Currently working on bringing more people to become sponsors. Obtained feedback that newcomer orientation may not be worth it, group considering moving away from using newcomer orientation.

Others reporting: Paul H, Lundy W., Matt K, Chelsea M., Julie K.

Group Discussion:

Does the group approve of Doug B continuing as webmaster even though he is unable to attend the Intergroup meetings?

A resounding “Yes”!! Group consensus that Doug does an excellent job with the website and can communicate by phone or email when needed. No need for changes.

Committee Reports:

Phone Line: Paul H. has taken over this responsibility from Patrick M.

Some people calling have expressed confusion with a different website out there posting out of date or conflicting information to the Colorado SA website. The group is Colorado Service Group (CSG). Julie will follow up with this group, get them to take SA-related stuff off of it, and point people toward ColoradoSA.org

Secretary Position: This is an open service opportunity. According to the Bylaws, person should have at least 1 year of sobriety. Jill R is volunteering but only has 5 months of sobriety currently.

Group voted to make Jill R the new Secretary

Andy A. commented that there are lots of supplies (plates, cups, utensils, sterno, etc) leftover from last year.

Correctional Facilities Committee (CFC), Chelsea M.:

Coordinating with Dave

Note: In person visits to DOC facilities have started again

Pen-to-Paper (Jillian R.): To be held on July 9th @ Eric CO. Those wanting to help with P2P should contact Jillian R.

Chuck (Secretary from No Half Measurers) can get Jillian materials from previous P2Ps.

New Business:

Question from Jillian: Who is the Women's SA point of contact for new Female SA members? There is confusion with who is serving as point of contact. Chelsea M. had volunteered to do it, but "Ashley" has been currently fielding calls.

For Clarification, Laurel S. has been point of contact for S-Anon women

There is a desire to add language to the website, directing new women SA's to the proper contact. It should be easy to add a second line to the existing telephone help line so that we aren't giving out anyone's specific contact information. Patrick M. has experience doing this through the App.

Meeting Adjourned ~ 9:15am
