Meeting Notes
5/14/2022

No treasurer report

Members present: Gil, Chelsie, Jillian, Scott H, Julie, Tim, Patrick, Matt K, Andy A, Paul H, Tom W

Last month meetings notes reviewed.

Discussion of these notes:

-Erie group, not Eric meeting

-flyer for Unity conference: new report will be done today

-is Jillian the new secretary? Clarify. Make motion? Motion made: Jillian was voted in as secretary, 1 abstention.

Group reports:

Spiritual Awakening- Julie K (GR): working on having people sign up to chair. 7 people are committing to 4x/month. Around 15-20 attendees everyday.

Into Action- Andy A (temporary rep for GR who is sick): in person is consistent. Open meeting today- had a good discussion and will be open again in August unless it interferes with the Unity conference.

Happy Destiny- Paul H (GR): well attended including their hybrid version.

One Step Beyond- Patrick (GR): attendance well.

No Half measures –Chelsie (GR) very busy. Chelsie is going to ask if someone will step up to take over as GR.

Daily reprieve- meeting is now very small, change the meeting to a step study meeting and only on Wednesdays, no longer Monday & Friday.

Grand Junction & Glenwood Springs- Gil (GR): zoom meetings. They support recovery all along the Western slope and now out of state individuals as well, consistent attendees. Carbondale meeting is in person.

Courage in recovery- Matt (GR): steady at 5-10 people, trickle in of newcomers. GC voted on a Saturday & Sunday 6:30a for a month and not well attended so this was ended.

Steps of transformation – Tim reporting for Neil S: group was discontinued and then 24hrs later meeting stayed together but Neil is the contact person to get the address.

Committee Reports:

-Pen2Paper: Erie no longer an option for the site. Orchard club is wanting to host. Chelsie will take this back to Orchard Club to confirm they can hold on July 9th.

-Unity conference: meeting regularly. Registration is complete and now on SA.org. Flyer will be uploaded to ColoradoSA.org soon as well. Keynote speakers have been chosen. Scott suggested that the registration be monitored so that capacity doesn't go over. Jillian will send the flyer out to the GRs on the email list.

Phone reports: Paul reported it is working, minimal calls this month.

CFC: Chelsie is trying to connect with others to move forward. Scott suggested she connect with a member who was the previous CFC. Scott can help connect Chelsie to Ron T. who was the national CFC as another contact.

Regional: most recent was Wichita in March. Next meeting is last weekend in August. Last time at this venue. The center is closing down to any outside groups, a committee was formed within the regional meeting- the South Midwest region. St. Louis is the next location and the committee is helping. Spring 2023 will be at a new Kansas city location.

Scott was voted in for Alternate Delegate for the Larger region, Ron is out as the Delegate October 2023.

Trustee and Delegate meeting in July.

Internationals will hopefully be starting live in January 2023.

-Gratitude potluck: flyer will be sent out to GRs

Old business:

-do we need to amend the by-laws? Voting in Jillian as Secretary. We need to give 60 days notice to the groups in order to change any by laws.

Tim said "can we add in 'suggested' 1 year of sobriety? So that others are not left out if others with 1 year of sobriety are not stepping up." Do we update this wording for all officers positions? How do we want to proceed? Tim will write to the groups so that we are following the process. Paul suggested that we not do suggested for all the positions. Patrick asked why a sobriety requirement is in place for these service positions. Scott noted that if the person doesn't have consistent sobriety then we are having to replace this member frequently. Is Patrick's question separate from changing the bylaws? If the person loses sobriety then do they focus only on their sobriety instead of being of service?

Tom- reviewed the website and said meeting info is not accurate. Can we have groups review their info on the website so that it can be updated?

New business:

-woman contact is now Ashley -this is moved to old business

-any new language for woman contact & male contact. This will be added to the website.

Moved to old business.

Nothing else discussed. Meeting ended at 9:24am as we started at 8:24a due to technical issues.
