Phone Line: more people calling in this month, about 10 people called in, have received prank calls as well.

CFC: one volunteer to help Chelsie is no longer available to help be of service

Old business:

-changing webmaster from Doug B to Tom W., pass along and remain the backup

Tom is willing to be of service/ has the professional skills that would help to be of service

-Patrick made motion: 1 abstention, the rest approved

-change on the website: have 2 numbers or have Paul & Ashley listed? Discussion. Line 2 is the APP that's being used. Paul will help setup the new second member and connect with Tom to get this on the website.

-change the bylaws: change from required to suggested sobriety CIF.
Discussion. No vote needed as nothing was changed.

Group reports

Patrick- one step beyond: (GC)- dissolve online? Continue with hybrid? Split into two groups. Concern is low sobriety online and 30 days of sobriety is required. Patrick asking how groups are doing this, anything was placed on hold. Discussion. Patrick will update at next Intergroup.

Julie- A Spiritual Awakening: around 15 people are out of state or country. Group leaders have been more consistent as a core of people who are stepping up. GC will be held in July to elect new officers.

Paul- Into Action: well attended, not hybrid, a lot of sobriety.

Don- Happy Destiny: combo of hybrid so a mix in attendance

Tim- No Half measures: GR is now officially Chelsie but she was not in attendance today.
Attendance is great per Tom

Western Slope meetings: Gil was not present.

Courage in Recovery: GR not present

Steps of Transformation: GR was not present. Neil emailed beforehand that things are great with this meeting.

-Patrick asked if there was anything about us being able to publish info about meetings on the website- i.e. can we not put church info on the SA website? It is up to each group of how to provide what info.

Intergroup ended on time at 9:15
