

08.20 Intergroup notes

People virtually : Dustin, Blane, Patrick, Scott, Ron

In person: Tom, Paul, Jeff, Don, Jim, Julie, Tim

Last month notes reviewed, read by Tim. Motion by Tom to approve, seconded. Approved. One opposed.

Treasurer report:

Vision for you \$19.40, \$57.78 group donation, Lawrence C- unsure of which group, \$235.71 from Spiritual Awakening

\$83.00 for USPS fee for 6mos

\$373 for phone line- why the large fee? Paul H reported that it was for adding in a second line, confusion. Paul is requesting a copy of the bill so he can resolve the issue. Dustin will help support the resolution.

-money lost in conference except we are waiting from SAICO. \$2,613 ahead from conference.

\$3,370 sent to Mother Cabrini. Dustin sent out reimbursement from expenses for conference.

Pencil 2 Paper:

-money from 2020 given that day, Dustin has deposited.

-money from Venmo on that day, has it been sent in?

-has money been sent to church from 2020 conference? Bethany notes indicate location but no notes of if it was sent.

-what do we want to send to Orchard Club for 2022?

-send \$300 to Bethany from 2020.

-Jill will send an email to Mat and include Dustin to ask about Venmo funds, if they've been sent to Intergroup

-Discussion during P2P to give money directly to Orchard Club. Then we agreed to wait since we didn't know total funds and bring it to Intergroup.

-Discussion of how much to send to Orchard Club. \$100.

-Dustin would like to note that he is the most insane treasurer that Intergroup has ever had.

-if groups send money by friend 2 friend then we don't pay a fee to PayPal.

-\$3,000 kept in for minimal balance. Money donated to the region and then the region donates to SAICO. We are able to help support scholarships, to give libraries for starting groups.

Motion to approve, yes, seconded, in favor. No abstained. No opposed.

Public Info and Outreach:

-Paul reported the line should cost \$80/year.

- no women have stepped up to be of service to answer the woman's phone line.

-Tom asked if he should ignore the VM from that line that goes to the email, yes ignore.

Unity conference:

- 80 attendees
- 7 no shows
 - do we return this money or forfeit? So far no one has asked for their money back.
 - in the past we have put this money to 7th Tradition unless the person requests the money back
- Tom spoke up for \$24 to be reimbursed for, Dustin will reimburse through PayPal
- 7th tradition of \$153 collected, Julie suggested we send to Sanon

Correctional Facilities

- Chelsie was not present

New Business:

- General Delegate Assembly, Ron and Scott present
- regional alignment committee, a census done every 10yrs
- final process of putting out a letter to Delegate to then go to regional rep's, give an accurate representation of meetings
- discussion has been around bringing it to groups in person
- asking that every group has an Intergroup Rep who then fills out the survey for their meeting. Patrick and Scott will attempt to attend meetings to help fill out survey so that there's an accurate representation when there is no group Rep
- Scott quickly went through what the survey looks like
- Info published so that its most updated on SAICO for meeting info
- Ron reported it be completed by 11/15. This is important to be filled out as it gives us representation in the region, right now we have 3 Reps based on 150 meetings in the region.

Flyers

- events outside our area, do we want to post on the CO SA website?

Discussion:

- Publish to spread the word
- is it on SAICO?
- having a standing link to go to SAICO for standing events?
- if its non SA approved and we publish without verifying is risky
- post within our state and our region, SA approved, then we publish those

Website update:

- all Western Slope meetings update based on discussion with Gil
- Tom receives the email and filters out and he will continue to filter out and check the emails

Ron brought up being part of Budget committee for the region, he asked that we consider our donation for the region

Group Reports

-Daily Reprieve at Orchard Club has closed down, unsure if literature has been passed on

For next Intergroup meeting:

-Paul has asked that next month we consider scheduling P2P

-Do we want to reschedule Intergroup for October due to regional in Wichita?

-Scott reached out to Cabrini to schedule at Cabrini for next year, 2023. Julie will follow up with Scott.
