-Paul is not present

Correctional Facilities:

-Cheslie did not have any updates

--Chelsie did confirm that she has been asking at meetings for people to be a sponsor & she's asking that a male counterpart step up. David A was new and said he is stepping up to be the male counterpart.

Old Business:

-Women's phone line. Lisa K & Karen B have stepped up to volunteer. Karen lives in FL so outside of region territory. Lisa had quite a few questions and questions were answered during this Intergroup discussion. Two people could not handle the phone line at the same time.

-Discussion held: Concerns about someone helping who does not live in town. Concerns about consistency. Do we go back to the groups and ask for women volunteers? Do they have the time- people are looking for help. Pointed out that these can be long conversations almost as if the person is being vetted. Secondly, the person needs to be available as its needed to answer that call because a returned call usually resulted in no connection as the willingness was no longer there. Could having a woman who is answering increase the participation of women joining SA? Intergroup agreed to have more announcements until next month

Regional – Ron

- by laws discussed as these were sent to the IRS and a law about dissolution was included
- The survey is available. Scott and Patrick will hand hold each trusted servant through this process. An email will be sent out to the GRs through the Intergroup email asking who the person is the GR for the group to get an updated list.

Group reports:

Julie, Spiritual Awakening—strong attendance consistently

Tom, No half measures—taking over as GR. Attendance has been consistent. Elections coming up in October.

Chelsie, Wednesday daily reprieve which dissolved—info taken off website. Literature still is at Orchard Club, what happens to it? Would be returned to Intergroup so that it can help other meetings? Is it up to the group to decide what to do with the literature? Intergroup seeded money for this literature. What does the literature consist of? Tom noted he could pick up the literature.

Patrick, One step beyond—fully hybrid. Attendance is strong.
