Group reports

Julie, Spiritual Awakening: strong attendance, encouraging people to donate as scholarships were given out

Into Action, Paul for Andy: full meeting today. Open meeting is occurring in November 12th and asking GRs to report this out to groups, this time it will be virtual as Tim

Don, Happy Destiny: attendance is steady.

One Step Beyond, Patrick: strong attendance. Question: zoom members who want to contribute, how do they so that no one is tying their name to the account? Discussion- use venmo for Spiritual Awakening and business account, Tim's name is tied to it and only Venmo knows his name.

Chelsie, No Half Measures: attendance is consistent. Elections held- very little changed.

Gil: Carbondale is going strong. Glenwood/GJ zoom is strong. GJ in person is strong.

Blane, Pueblo, CS: consistent at both meetings.

Matt, Courage in Recovery: consistent attendance.

Doug, One day at a time: Hybrid for both meetings. Around 1x/mo a woman attends.

Census/Region- Scott and Patrick

Scott has sent the census to almost all meetings in CO, GRs encouraged to report to their groups to send the census back if not yet completed.

-Regional business meeting: SA has a deficit running right now. SA is finally a 501-C-3. Unity conference is April 14-16 in Kansas City, KS and new location for conferences going forward. Questions:

-What is minimum for prudent reserve? \$3,00 for Intergroup

-Open meetings listed on the website? Into Action is only open meeting. Each group would decide if they are willing to open and hold a GC to determine if they're going to do this.
