

SA Intergroup 02.11.23

Role call:

In-person- Paul, Todd, Tom, Mike, Jeff, Andy, Jeff,

Online: Scott, David, Tim, Blane, Savanna, Julie, Jillian

Minutes read. Motion to approve- yes. Approved, 1 abstain.

Group reports:

Andy reported that as of today, Stan has not returned to the meeting, Into Action.

Dave, GR, One step Beyond- reported that from a GC on 02/10, 'white book should be read as written and not change any wording when reading,' and this was approved.

Tom, no half measures- GC was 02/03, nothing new to report

Todd, No more excuses- good attendance and strong GC meetings, about 1 newcomer/month for the last 4mos

Jeff, Castle Rock- going strong. New location is going well, about 1 newcomer/month.

Rise and Shine, Highlands Ranch, and the group has disbanded and did not officially sign up with Intergroup.

Treasurer reports:

Dustin is sick and not attend in person. No concerns.

Committees:

P2P- time changed from 9a-9:30a for starting time, and going until 2:30.

Discussion around: do we raise the cost from \$15 to \$20? Pass a 7th Tradition basket instead but not raise the cost? Paul noted that Good Shepard has said, pay what you can including if its free. The cost is on the flyer that was sent out previously. No changes made at this time.

Speaker request- take this back to your groups for someone to step up

Prison Outreach, Mike:

-National Coordinator, Mike was sent a group guide and resources, contacting Chaplains who are already doing this. Mike has connected with two people outside of SA already. Biggest problem is the system is the shortness of people inside the prison so a large lockdown mentality, shortness of time is where they are impacted. State of CO does not endorse SA for SOs, it must be a psychological program. Mike said he is going to get licensed to be able to get

into the prison system. Mike asked Blane if he would be willing to connect with his groups since Pueblo is so close to Fremont.

Website, Tom:

No issues. Asked about a Google calendar and that is private. Current problem- very limiting and will show things from the past instead of deleting them. Having new calendar- would open up all the info.

Discussion: not searchable on Google. Was this coming up because people couldn't access meetings? No, it's a replacement of the current calendar as its easier to manage. Paul encouraged us to go look at the calendar on our own after Tom switches it up and then we talk about it next month.

Motion- replace the existing calendar with the Google calendar and everyone look at this.

Seconded, voted. No opposed.

Cabrini:

Savanna stepped up to chair after Scott announced chairing, they will discuss this outside of Intergroup.

Census:

51 meetings have registered, Scott will continue to reach out to ensure that GRs are registering.

No motion today, Scott will motion this next month as official date is in July for the delegates.

Phone Line:

-men's line continues to get calls or a wrong number

-women's line, continues to be wrong number

Paul is working with someone to get the women's number on the International side.

-Question: how long do we keep the number since we aren't yet receiving any calls? Do we get a new number? The summer is when we renew payment and have a discussion then.

Open meeting- March 4th at St. Andrews, Happy Destiny some time in March

Kansas city regional:

-01/21: CO sent \$7,000 to the region, \$9,000 from region to SAICO. \$10K in accounts left in reserve to send delegates to International conferences.

Regional- in April.

-region is working on becoming a non-profit identity, a 501 c-3. Region for looking Trustees and

Delegates. New chair is Tim B. Vice chair is Richard from Kansas City.

New Business:

Gratitude potluck in partnership/cohosting with Sanon. Held April 29th. No location as of yet. Tim stepped up to help find a location and be the co-host.
