-registration is open

Flyer and theme are available. No early bird pricing this year. Capacity 80-85.

Paul said there's been more men calling to get info, going well.

Savanna was not present to be provide an update on the womens line.

Gratitude potluck:

Went well in April but not well attended.

Do we want to continue to host them? Will others take the informal survey back to their groups to ask about why people are not attending? Small attendance is not a reason to discontinue them. Might be hard to attend for the spouse if they are/aren't in recovery.

Kansas City retreat:

Discussion: new site was great, interactions between SA and Sanon were great. Theme- 3 As, speakers and breakout groups centered around this and fabulous and helped recovery. All of it was well done and wonderful.

Sept 30th-Oct 2nd is next event, Oklahoma City group is running this. Theme and flyer is TBD. CO hosts fall 2024, have things through a committee put together by spring 2024.

New business:

Sanon poster through Sanon PIO, send out to groups?

Discussion: in-participation with Sanon. Clergy and therapists can be sent these. Attraction rather than promotion.

No objections to the poster and info page being mailed out to GSRs.
