Dear Professional,

Enclosed please find some materials from Sexaholics Anonymous which I hope will be helpful to you in your work with your clients. We of SA wish to offer our services as a twelve-step program modeled on the 12 steps and 12 traditions of Alcoholics Anonymous. We have found healing and recovery for ourselves and hope you might be able to use our services for some of your clients in need of sexual sobriety.

This material comes to you from the Hudson Valley/Connecticut Intergroup of Sexaholics Anonymous.

"Sexaholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover. The only requirement for membership is the desire to stop lusting and become sexually sober. There are no dues or fees for SA membership, we are self-supporting through our own contributions. SA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes. Our primary purpose is to stay sexually sober and help others to achieve sexual sobriety. *(Reprinted for adaptation with permission of the Alcoholics Anonymous Grapevine.
