

Sexaholics Anonymous

Lehigh Valley/Reading Intergroup

P.O. Box 21571

Lehigh Valley, PA 18002

To Health Care Professionals and Clergy:

In your practice as a helping professional, you may have occasion to counsel someone who is experiencing **unmanageability** in his or her life due to **sexually destructive thinking or behavior**.

Sexaholics Anonymous is a **Twelve Step program of recovery** based on the principles of AA. Over the past decades **men and women** from all levels of society have found sobriety and healing through this program. The SA program is **not treatment or therapy** of any kind; it serves to complement individual counseling.

Please review the 3-minute informational video at sa.org.

Our confidential meetings are open to anyone 18 or older who recognizes a personal problem in this regard. Nearly **70 meetings are held weekly** in Southeast and South-Central Pennsylvania.

A list of **meeting times and cities** can be found at sa.org. For **meeting addresses**, and for other information and support, please call one of our **confidential phone numbers**. Calls are normally returned within 48 hours by one of our members in recovery. (Normally we have the same gender follow up, i.e. a woman will return calls of inquiry by a woman).

Thank you.

Lehigh Valley / Reading: 610-682-9622

Western Philadelphia suburbs: 610-326-2240

Philadelphia city: 215-564-3272

Susquehanna Valley: 717-574-4233

Each SA group has but one primary purpose – to carry its message to the person who still suffers.
