Dear Pastor, Counselor or Physician:

You may have the occasion to counsel with persons who are obsessive and/or compulsive sex. Sex with self, promiscuity, adultery, unhealthy relationships and /or fantasy. The purpose of this letter is to let you know that there is *hope* for these individuals.

SEXXAHOLICS ANONYMOUS is a program of recovery for those who want to stop their sexually self-destructive thinking and behavior. It is a program based on the principles of Alcoholics Anonymous and has been helping people heal and recover since 1979.

There are meetings held most days at various locations in the Rochester area. All meetings are entirely anonymous, and with one exception are closed to anyone except those desiring their own personal sexual sobriety.

The enclosed brochure is for your reference and information. If you or anyone else would like to learn more about SA in the Rochester area, please call 234-0359 or write to the address above. If you would like literature call or write the SA International Headquarters:
