## **GENERAL SERVICE REPRESENTATIVE (GSR) REPORTS**

- **New Way of Life Denver** (Tom K) - Consistently meeting on Mondays and Thursdays with no changes - 6 to 10 attendees with several newcomers who are continuing to come back.
- **A Vision for You Broomfield** (Scott Hi) - Doing well; Tuesday meeting is the largest of the week with 20+ combined across in person and zoom. Prudent reserves are doing fine; not seeing many newcomers lately. Scott shared that his group recently reviewed their tradition of giving out a white book to newcomers and there had been some concern that it might not be a wise use of funds.

- Jillian shared her experience that having a newcomer with a white book not come back can still be a way for their higher power to reach them even if they are not connected to the fellowship.
  - Volker, Tom K and Dave E stated that their groups do this and view it as a positive way to help a newcomer.
- **One Day at a Time/Thornton** (Volker) - Pretty steady group of core people. Attendance down to about 9 hybrid online/in person in November with some newcomers that have not become regulars.
- **Western Slope** (Gil) - Combined Glenwood/Grand Junction zoom meeting going strong. Monday evening Grand Junction is about 5 or 6. Monday morning Paleo meeting has moved indoors to The Meeting Place in Grand Junction for the winter. Carbondale meets sporadically on Tuesdays; 3 consistent members without newcomers showing up so meeting happens when all 3 are around and doesn't if one is missing. Gil reports that Western Slope meetings do give out White Books to newcomers who come in person.
- **Spiritual Awakening Zoom** (David O) - Purely virtual meeting, so no literature is distributed. Group does give out virtual chips by email. Meeting going strong and doing well.
- **No Half Measures** (David B) - About 15 regular members daily Monday through Saturday. Group has a lending library of CDs with recordings of meetings that they are looking to make available as links; they have converted these to digital files but they don't have a place to host them. David asked if the intergroup could host it on our website.
  - Tom W mentioned that we would need to upgrade our hosting subscription for additional space in order to accommodate this.
  - Jillian asked whether we could make a list of these recordings available for members seeking the information; Tom wondered if that might be a better list for SAICO to maintain at the larger fellowship level.
  - Scott H will outreach SAICO for more information about what already exists.
- **Windsor** - Tom W reports that Windsor has recently seen a resurgence in attendance.
- **Fort Collins** - Tom W reports attendance is going strong at both Wednesday and Saturday meetings.
- **One Step Beyond/Wheat Ridge** (Chris R) - MWFS meetings, all hybrid online/in person. Solid attendance with a core group and some newcomers, between 10 and 20 per meeting.
- **Colorado Springs** (Blane H) - Wednesday morning zoom group has added 2 newcomers recently and averaging 7 per meeting.
- **Into Action Highlands Ranch** (Jed R) - Averaging 20 to 25 on Saturday mornings with a good amount of newcomers (one per month?) that usually don't stay but meeting is going strong. Jed reported strong financial picture and expects a 7th tradition contribution to intergroup in the near future.

## OLD BUSINESS

- Paul H has still not received a decision letter from the IRS on our 501(c)(3) status. Lou

advised patience and is confident it will be approved in the end. Scott H will approach SAICO central office about whether we can use their nonprofit status for our international as a backup plan.

- Nate and Jillian each reported no inbound calls. Tom W said he had not updated the website because he wasn't sure if they were working. Tom will update the website with that information.
- David O said that we do not have a way to make a direct contribution to the family of our deceased member Scott. He shared that he was shot and killed tragically but that the member who provided that information was not able to create a method for us to contribute.
