These rules are effective for the sale year of 2024

## UMPHC Breeders Stallion Service Sale 2024 General Rules

### PURPOSE

The UMPHC Breeder's Stallion Auction offers the opportunity to stallion owners to donate a service or services of their stallion(s) to this program for purchase by others to breed their mares too. The resulting foals of this breeding are then eligible to participate in the UMPHC Breeder's Futurity Classes that are held at the Fall Futurity Show. The stallion owner can also enroll a foal by that stallion into the program, one per each sold stallion fee. Foals by the donated stallions are also eligible to participate in the UMPHC Breeders Incentive Futurity Program. The UMPHC Breeder's Futurity and UMPHC Breeder's Incentive Futurity Programs are designed to showcase the offspring of these stallions in both halter and performance divisions.

### STALLION OWNERS

1. To donate your stallion(s) services(s), please contact UMPHC by email at [Uppermichpainthorseclub@gmail](mailto:Uppermichpainthorseclub@gmail.com) or visit our website at [www.uppermichpainthorseclub.com](http://www.uppermichpainthorseclub.com).

If the stallion owner puts the stallion in two (2) times, they would have two (2) mares/foals eligible for nomination). The stallion service fee must be sold by May 31, 2024, for the stallion owner to have an eligible entry. If the service does not sell, the stallion owner forfeits their entry or entries but could still participate in the UMPHC Breeder's Incentive Futurity for free, see rules for that program.
5. The stallion owners are responsible for nominating their mare(s) and entering the eligible foal(s) by filling out the required paperwork/forms & submitting with the correct fees. Failure to submit required paperwork/forms will result in an ineligible entry.
6. 10% of the winnings of each foal in the Breeder's Futurity Classes will be paid to stallion owner of said foals.
7. 12% of the total sales from the sale will be put into the General Breeder's account to use for expenses & awards.
