

New Customer Wiring/Electronics Checklist								
Please fill out this form completely. Always think into the future with what you may want to add later on.								
Contact Ryan at 740-260-7023 for assistance or questions.								
Name:		Phone:		Ve	Vehicle:		Vehicle Use:	
	Data Logging and Sensors		Ignition and ECU		Chassis Interior		Gauges	
	Racepak UDX		Power Grid Ignition		Race Radio		Display Dash	
	Racepak iQ3		Power Grid Controller		Radio		RPM	
	Racepak V300		MSD Digital 7		Shifter:		Voltage	
	Racepak V500		MSD 7AL-2		Electric Shift Solenoid		Fuel Pressure	
	Racepak Sportsman		MSD 7AL-3		CO2 Shift Solenoid		Oil Pressure	
	Oil Pressure		MSD Digital 6		Nitrous Bottle Heater		Water Temperature	
	Fuel Pressure		MSD 6AL		Master Kill Switch		Trans Temperature	
	Vacuum		MSD LS		Power Windows		Oil Temperature	
	Driveshaft RPM		MSD 3 Step Module				Vacuum	
	Bottle Pressure		MSD 2-Step Module		Engine Bay		Other:	
	N2O Fuel Pressure		MSD Standard Coils		Nitrous Plate System		Other:	
	Wideband (Racepak)		LS Coils		Nitrous Fogger System		Other:	
	Wideband (Power Grid)		8 Injectors		Single Stage Nitrous		Other:	
	Wideband (Other)		16 Injectors		2-Stage Nitrous		Other:	
	Oil Temperature		Holley Terminator X		Alternator			
	Coolant Temperature		Holley Terminator X Max		Line Lock		Buttons and Switches	
	Trans Main Line Pressure				Fuel Pump		T-Brake Button	
	Trans Temperature		Lighting		Water Pump		Line Lock Button	
	Shock Travel		Low Beam Lights		Engine Cooling Fan		Bump Up Button	
	Track Temperature		High Beam Lights		Trans Cooling Fan		Bump Down Button	
	Other:		Marker Lights		Other:		N2O Override Button	
	Other:		Tail Lights		Other:		Bump Button (Left)	
	Other:		Brake Lights		Other:		Bump Button (Right)	
	Other:		Reverse Lights		Other:		Bump Button (Converter)	
	Other:		Turn Signals/Hazards		Other:		Back Up Switch	
			Interior LED Lighting				Other:	
	Switch Panel/Relay Board		Engine Bay Lighting		Chassis (Other)		Bracket/Index Electronics	
	K&R		Trunk Lighting		Charging Ports		Box Brand:	
	Digital Delay		Transmission Lighting	_	Rear Mount Fuel Pump		Box Model:	
	Painless		Rear End Lighting		Master Kill Switch		Shift Controller	
	Autorod Controls		Under Dash Lighting		Other:		Throttle Stop	
	Custom Built		Other:		Other:		Throttle Enhancer	
	Other:		Other:		Other:		Quick Change to No Box	
	Other:		Other:		Other:		Digital Dial Boards	
	Other:		Other:		Other:		Digital Dial Board Control
