## PRESIDENT'S MESSAGE – Sharon M.

The Threads of Friendship Quilt Show and Sale is fast approaching. Hopefully everyone has submitted their quilts/projects for the show (deadline is November 5), members have signed up to help make the show a success, and raffle and show tickets have been sold. I would like to take this opportunity to acknowledge the quilt show committee for their commitment and time spent to ensure the show will be everything that they envisioned and be enjoyed by everyone who comes to the show.

A new member orientation will be offered this month. It will take place before the November 11<sup>th</sup> meeting starts. Lyne and Debbie will be on hand to conduct this orientation. See below for details.

November 11th is Remembrance Day.

Lest we forget.

**MEETING DATES:** Second Monday of the month, September to June. Conflicts due to a holiday will be determined by the executive each year and communicated to members. They are also on the website.

**TIME:** Doors open at approximately 6:30 pm, meeting begins at 7:00 pm, ends approximately 9:00 pm.

**LOCATION:** Zion Christian Reformed Church, 409 Adelaide Ave. E. Oshawa ON

**REMEMBER TO BRING –** DTQG name tag, library books borrowed at the last meeting, toonies for our chance draw, funds for book/magazine sale, items for show and tell, funds for advance quilt show tickets, funds to purchase clear bags to submit your quilt to the show, a fat quarter or other item to donate to the quilt show ticket pull, final items for the quilt show's boutique, and any donations you have for the food bank (needed items include canned fruit, boxes of cereal, peanut butter, crackers, pork & beans, spaghetti sauce, rice, toilet paper, hand soap bars, and toothpaste).

Should the weather not co-operate with our plans, we have a procedure in place for all members to receive an email notification of the cancelled meeting by early afternoon of the meeting date. We will also alert the local radio stations, and our members that do not have email will receive a call. As always, use your own judgment when deciding if you should venture out on the roads to join in the fun of our monthly meetings.

## NEW MEMBER ORIENTATION – Lyne M. and Debbie K.

All new members who want to get acquainted with our guild's different programs should meet our VP, Debbie K., at the membership/welcome table at 6:45 at the November 11th meeting.

**QUILT SHOW 2019 “Threads Of Friendship Quilt Show” – Kate H.**  
**November 22 & 23, 2019 - General Sikorski Hall, Oshawa.**

We are almost there. Lots of things will be going into ‘ready mode’ now. We have lots of information to share with you, so please read on.....

We are thankful that the Director of Rose of Durham was able to attend our October meeting. She shared the many services that this organization offers to our youth. Such a great opportunity for us to help them to fundraise for their programs. Their Victorian Tea, an annual fundraiser, is being held on November 19 and we have an opportunity for the membership. Some of our show committee will be attending to sell raffle and admission tickets. **We also have 4 seats available for members of the guild to attend.** If you are interested, please see **Laura B** to put your name in the hat. We will draw at the end of the meeting. Please keep in mind this event is a fundraiser for Rose of Durham, and although you are not obligated to make any donations, you may do so if you wish. It will be a lovely evening I’m sure.

Just in case you didn’t know, the draw for the raffle quilt will take place in **May 2020**, so there is plenty of time to take tickets to sell to your friends. In my wildest dreams, I hope we sell all 4000 tickets! Wouldn’t that be awesome to raise so much to help Rose of Durham. We will have tickets at show as well. If you need more tickets, please see our **raffle coordinator, Cheryl A.**, to pick up your packages of tickets.

Our **volunteer coordinator, Diana S.**, still has many open spaces for you to offer assistance before, during and after the show. Many hands make light work. We need helpers on all days of the quilt show and especially on set up day. There are so many jobs to do, you would not believe me. Not sure what the job is? Ask Diana or any member of the show committee. Do you have a student who is in need of some community service hours? Sign them up for Saturday’s take down.

**We are up to 140 items which have been registered. Let’s get that to 250!** Registration of quilts to be displayed at this show is being done electronically via our website (except the challenge). Please register any remaining quilts right away! To register your quilt, go to the guild’s website and navigate to the page for the quilt show (<http://www.durhamtrilliumquiltersguild.ca/2019-show.html>). Then click the button off to the right that says “Quilt Entry”. We have had many members do their own registration and it really is quite easy, just ask Peggy F. and Susan M. Their support of this has warmed my heart!

Some almost last minute things....we want to show off our quilts and have them looking their best. **Please take a few minutes before you bring your quilt in to clean off the loose threads, pet hair or other unsightly blemishes that may be on your quilt.** It only takes a few minutes to make sure we show ourselves in the best light. It’s disappointing to walk through a show and see threads hanging on otherwise stunning pieces. Every item which will be displayed in the show requires a hanging sleeve. It can be a temporary one that is well pinned on (every 2 inches using SAFETY pins) or stitched on. Purses do not require a hanging sleeve (I know you were thinking that!) How do you make a hanging sleeve? I have a few of them stashed away, just for quilts for shows. We will talk about that at the meeting. Also, see the end of the newsletter for some instructions!

On set-up day (Thursday) drop off is between 9:30 and 11:00 am. Each item must be in its’ own clear bag, with the label showing. Our **registration coordinator, Laura B.**, will have clear bags for sale at the guild meeting for \$0.25 per bag. Are you unavailable during drop-off time? Find a friend to drop off your quilts at the show. They will receive the receipt which will be required to claim your items at the end of the show. Our **feature quilter, Anne M.**, has been preparing her quilts for display. We have a good space for Anne to show off her works of art. I can’t wait to see what she has in store for everyone.

Our **treasure table coordinators, Dorothy M. and Angie S.**, will continue to accept items that you no longer need in your sewing room...such as books, magazines, kits, fabric, tools, and templates to name a few of the items they are looking for. Donations can be made at the November guild meeting, or you can arrange a time to drop off at Dorothy's house. Please measure fabric being donated and put its size on it on a sticker.

Coming to the show?? You're going to need a ticket! Advance tickets are \$5.00 and will be available from our **publicity coordinator, Lyne M.**, at the November meeting. All members are encouraged to support the show by buying a ticket regardless of whether you are volunteering or not. As a member who will be volunteering, you only need to buy one ticket, even if you volunteer Friday and come to the show as a guest on Saturday. There is no expectation that you, as a volunteering member, would need to purchase tickets for both days.

**Quilt show challenge & children's display coordinator, Holly P.**, has collected the challenge items that were handed in and they are now being readied for judging. There will be an opportunity at the show for you to vote for your favourite as we always have a viewers' choice category for the challenge.

Our **boutique coordinator, Debbie W., and her team**, will also accept any items that you wish to donate to the boutique or any completed kits that you have done over the summer. Do you have something that you would like to enter into their consignment sale? Please see Debbie for more information or register them via the website (the same page as registering quilts, just use the "Consignment Entry" button. These items are also to be dropped off at the same time as the quilts for the show (Thurs Nov 21, from 9:30 to 11:00 am).

The boutique is looking for some smaller budget-friendly items to sell, such as small coin purses; fabric gift bags of any size (Christmas fabric is preferred); gift card holders; bottle vests and cord wraps. A pattern for bottle vests and cord wraps was included in the October newsletter which is still available on the website.

What would a show be without the vendors? Perhaps a little more display space, but not nearly as much fun. We have invited many brick and mortar shops to our show and our **vendor coordinator, Diane D.**, has been working hard to secure great shops from our local area and hopefully some you've never heard of. Our vendors are a tremendous draw for the show, and I hope that you will shop at their booths.

Our **ticket pull coordinator, Debbie K.**, is still looking for your donated items for the ticket pull. The items in our ticket pull section don't all have to be quilting related. We do have some non-quilters at our shows, often known as husbands, who may fancy something there. Even kid related items would be awesome. She hopes to have at least 4 draws of 20 items each. So of course, please bring your toonies to the show, as tickets for the ticket pull are \$2.00 per sheet! Imagine what you could win with a toonie!!!

Our **tea room coordinators, Gail, Kathy & Gwen**, have decided on serving 4 kinds of sandwiches at the show, in addition to treats. I have already done my baking and they are tucked away in the freezer away from prying eyes! Get out your best apron and get baking! Looking for your culinary skills to be put to the test by baking some delicious goodies in the form of cookies, squares, loaves, and tarts! Oh my..... See Diana with the sign-up sheet at the November meeting as some items are required in limited amounts. Please note that baking is to be delivered without portioning – the tea room staff will portion all treats to the correct sizes!

Quilters, we are in the home stretch. Lots of final preparations are underway and much work is still left to do by the committee. Please follow their lead at set up and take down. Every contribution is valuable and you are all appreciated. Let's put our best foot forward! On with the Show.

**LIBRARY – Sandy M.**

All books and magazines **MUST** be returned to the library prior to the start of the next meeting. This will allow your librarians the chance to prepare the returned item(s) to be borrowed again. Please allow fellow guild members to have the same enjoyment and inspiration that you have had. If you still need the book/magazine, you can borrow again.

We are still looking for suggestions for new books or magazines, please email Sandy M.

**LIBRARY SALE – November 2019**

The library will be selling books and magazines at the November meeting.

Books will be \$5 each or 3 for \$10 and magazines will be \$1 each or 3 for \$2, unless otherwise marked.

**CHANCE DRAW – Barbara S.**

For your chance to win half of the monthly collected funds, please visit the Chance Draw table with your toonies. The winner of the October draw won \$56. Good luck!

**UFO Challenge – Peggy G and Peggy F.**

Preparing for the quilt show gave me an opportunity to see what has been stashed away in my quilting room. UFO's. Once the show is over let's keep up the good work and finish all our UFO's. Peggy Gibson and myself are going to run a Guild UFO Challenge.

How it works:

- Pick up the registration form at the guild meeting in November, take it home, decide what projects you want to finish (choose up to 5 items), fill them in on the form, and bring the form back in December. Cost to join is \$5.00.
- The challenge will run from January 2020 - December 2020. There will be a random draw to see what item # we're doing. 1st item will be drawn in December. You will have 2 months to complete each item.
- A ballot will be given when the finished item is presented, a second ballot will be given if it is done on time. A finished item must have binding and a label.
- We will have a grand prize draw in December 2020.

By the end of the year you will have 5 items completed and a significant dent in your stack of UFO's

**“KUDO” TRADITION**

At our monthly meetings, members are invited to share their celebratory or life events with the membership. These events may include the birth of a child or grandchild, a new job, recovery from an illness, or any other great acclaim or honour. As a “payment” for this, you are asked to choose to bring in a 2 ½” fabric strip of full width of fabric (i.e., 2 ½" x 42").

Please see Sharon, our President, if you have Kudos for the month and she will include you in the agenda.

**EXECUTIVE MEETING DATES**

Our next Executive meeting will be on **Wednesday January 15, 2020 at 7 pm**, in a designated room of the basement of the Chartwell Centennial Retirement Residence (259 Hillcroft St, Oshawa) (look for signs posted to determine correct room). All members are welcome. Please sign in at the front desk, if attending the meeting.

**WEBSITE – Laura B.**

Our website continues to run at <http://www.durhamtrilliumquiltersguild.ca>. The website will be updated if a meeting is cancelled due to weather. The quilt show page is also up and running and members can register their quilts via this page. Sign up your quilt soon so you don't forget!

How to Make a Quilt Sleeve

# How to make a quilt sleeve

These directions were produced by **Susan Brubaker Knapp**. They are free, and may be copied and distributed. E-MAIL: [susan@bluemoonriver.com](mailto:susan@bluemoonriver.com)  
 ■ WEB SITE: [www.bluemoonriver.com](http://www.bluemoonriver.com) ■ BLOG: [www.bluemoonriver.blogspot.com](http://www.bluemoonriver.blogspot.com)

**N**early all quilt shows require a 4" hanging sleeve for quilts exhibited. This 4" size accommodates most hanging rods or slats used at shows.

Here are some basic directions.

**1** Measure the top edge of your quilt, where the sleeve will go, about ½" from the top. In this example, the quilt measures 13". **See photo A.**

**2** Cut a strip that is 9" wide and the width of your quilt plus 1" (for the quilt shown here, this is a rectangle 9" x 14").

**3** Fold in the short ends ½" and press. Fold in again ½" and press. This eliminates the raw edge. **See photo B.**

**4** Sew a seam along these short ends. **See photo C.**

**5** Fold the strip in half with the wrong sides together, and press.

**NOTE:** By using this method, you do not have to turn the tube inside out after you sew it together. If you have a wide quilt, and a long sleeve tube, it can be difficult to turn it right side out. This way, the seam is hidden between the sleeve and the quilt backing.

**6** Stitch a ½" seam along the long edge. **See photo D.**

(Continued)

**7** Press the seam open, center it, and press. See photo E.

**8** Along one of the long edges, fold down and press about ¼". See photo F. This allows for a little slack so the quilt will hang better on a rod or slat. Without this slack on the back, you may have a bulge on the front of the quilt where the hanging rod goes through. You can see this slack more clearly on the side view (photo G).

**9** Pin the sleeve to the back of the quilt, about ½" from the top. See photo G. Take care to place the sleeve low enough that it will not show from the front once the rod is inside and the weight of the quilt pulls the sleeve up toward the top of the quilt. This is even more of an issue if the quilt is uneven at the top, such as the example shown here.

**10** Hand-stitch the sleeve to the quilt. See photo H. Go around all four edges, even the short sides. Your stitches should only go through the backing and the batting. You should not see them on the front of the quilt.

Note: for the show, you do not have to sew the sleeve to the quilt. You can pin it to the quilt, and then remove it to re-use for the next show. If you DO decide to pin the sleeve to your quilt, please

- 1) Ensure that it is well secured so it doesn't fall off (a pin every 2 inches or so along the top and bottom of the sleeve), and
- 2) You MUST use **SAFETY PINS** so there is no risk of our volunteers being scratched or poked. We will not display quilts that have sleeves attached with straight pins.
