

**APPENDIX “C”**

**Confidentiality Undertaking for Unrepresented Parties, Potential Witnesses, and Experts in the Public Order Emergency Commission**

For the purpose of this Undertaking, the term “document” is intended to have a broad meaning, and includes any and all documents and information in connection with the proceedings of the Public Order Emergency Commission (the “Inquiry” or “Commission”), including without limitation, any and all technical, corporate, financial, economic and legal information and documentation, financial projection and budgets, plans, reports, opinions, models, photographs, recordings, personal training materials, memoranda, notes, data, analysis, minutes, briefing materials, submissions, correspondence, records, sound recordings, videotapes, films, charts, graphs, maps, surveys, books of account, social media content, or any other notes or communications in writing, and data and information in electronic form, any data and information recorded or stored by means of any device and any other information pertaining to the Inquiry, irrespective of whether such information or documentation has been identified as confidential, and includes all other material prepared containing or based, in whole or in part, on any information included in the foregoing, including any anticipated evidence statements, witness interview summaries statements or Overview Reports prepared by Commission counsel.

I, \_\_\_\_\_, undertake to the Commission that any and all documents which are produced to me in connection with the Commission’s proceedings will not be used by me for any purpose other than those proceedings, with the exception of any documents which are otherwise publicly available. I further undertake that I will not disclose any such documents to anyone.

I understand that this undertaking has no force or effect with respect to any document which has become part of the Public Hearings of the Commission, or to the extent that the Commissioner has provided a written release to me from the undertaking with respect to any document. For greater certainty, a document is only part of the Public Hearings once the document is made an exhibit at the Inquiry. In addition, this undertaking and any requests for deletion are limited by any requirement to retain or disclose records and information as may be provided for by law.

With respect to those documents that remain subject to this undertaking at the end of the Inquiry, I further understand that such documents will be collected from me by the person who disclosed them to me: Commission counsel or a person designated by Commission counsel, as the case may be.

I understand that a breach of any of the provisions of this Undertaking is a breach of an order made by the Commission and of the Rules of Practice and Procedure.
