

#TRUDEAU4TREASON AFFIDAVIT

Prime Minister Trudeau committed treason by illegally invoking the Emergencies Act (EA) against peaceful and lawful protesters. Because of the invocation of the EA the protestors and their supporters were attacked violently during the 2022 Freedom Convoy and charged criminally for excising their right to freedom of speech and assembly and association. The protestors who were opposing his mandatory vaccine restrictions on travel.

Facts:

- There were no grounds as per section 3 of the Emergencies Act because the protest was lawful and peaceful.
- There was no permission from parliament as required by section 17.1 of the Emergencies Act. There was only a vote on a motion to table a vote for confirmation of the invocation at the 7th day mark.
- The invocation of the Act violated rights under the Canadian Bill of Rights.
