

CLINIC UPDATES

March 2026

What's Happening

Improved Services

You may start to hear from and see some new faces at Rise Wellness. As we grow, so will our team and technology to better support your care.

Here's what has changed:

- **Office Coordinator.** This key team member will serve as a primary contact and help manage daily operations, allowing Dr. Nyla to focus on patient care.
- **New Phone Number.** Our new number supports secure, HIPAA compliant texting. Patients will be invited to join the secure messaging platform.

New Employee

Amber Faulkner has accepted the position of Office Coordinator. She will manage many of the daily clinic operations. Amber will focus on billing, communication and new patient intakes.

New Phone Number
