

REQUEST FOR NWODGA SHOW COMMITTEE VOLUNTEERS

We are currently a large District 7 goat club and we work hard to do an amazing job of reaching out to the Northwest goat community through our educational website, our online presence, and our June Show. We hope you as members are inspired by our efforts to bring you the best possible show that we can and the most informative educational goat website in district 7! We cannot do these amazing things without the hard work of volunteers. Their commitment, selfless giving of their time and energy, and their inspiration are what makes NWODGA great! Please lend a hand, even if only a small gesture, donation or simple task, it truly means the world to our NWODGA club! Currently, we are looking to create a show committee for our NWODGA June Show. If you can lend some muscle for setup, secretarial help at the check-in or the judges table or ring-side, or overseeing the raffle ticket sales for a few hours, ANY help is incredibly appreciated!

Below is an outline of areas we NEED volunteers to sign up and commit to help in order to continue our show:

Show Chair/Co-Chairs: Year-round Duties of helping organizing the show committee members, meet deadlines for submitting ADGA paperwork, reserving facility, setting up ShowmanApp, reserving milk tank, reserving dry shavings, updating show entry form, specialty show application ensuring that breeds are sanctioned, helping with promotion & marketing & raffles to support the show. Show Chairs also work to recruit, hire, and manage judges through-out the year.

We NEED at least 2 additional co-chairs in order to keep the show going in the future...
