

SOLARIS - New Zealand
Mutual Assistance and Solidarity Network
DIRECTORY CONTACT FORM

CELL : _____ Postal Code: _____

(After having joined the cell either by Telegram link or by email, and then having met the referent coordinators and members, this form is transmitted in complete confidentiality to the referents, guardians of the information herein contained.)

- Dissemination of information to the members of the cell takes place exclusively at the discretion of each person during face-to-face meetings.
- This form need not be completed in its entirety from the beginning. Initially, the name and contact information is essential. They are constantly evolving and are completed as workshops, meetings and working meetings take place.
- They contribute to the development of the cell, to the reliance and interconnection with other networks of mutual assistance, solidarity, information, reflections... working for the good of the whole.
- You may record what you can offer or what you want to offer for the common good. It isn't an inventory of what one has!
