President's Message:

Volunteers are what make our club run smoothly, each and every one adding significant value, insight and ideas to our vibrant club. We are entirely run by volunteers so without them, there'd be no Probus Club!

According to an article in Medical Guardian, volunteering offers many benefits including providing purpose, reducing social isolation, lowering blood pressure, reducing depression, and increasing life expectancy. Click on this link to read the whole article

<[Benefits](#)>

Volunteering also benefits others with each member of our club benefitting from the efforts of others to make this club so purposeful.

Thank you to each and every one of you,

There are always opportunities to help out. Currently, our club is looking for a few people to work alongside two of our amazing management team members. If your skills can be used to help our Treasurer or our Membership Chair, we want to speak with you. Please reach out to me by clicking this link: <[President](#)>. Or perhaps you can help our House Chair with set up, greeting or refreshments or by leading an interest group. Join us, get involved and reap the benefits.

Lots of other local groups are seeking volunteers including Community Care which is looking for board members. Let's make sure that Uxbridge has a voice on their Board of Directors. See as well the

insert by Chuck Heroux in this newsletter to consider being a volunteer driver. For information, go to: www.communitycaredurham.on.ca

Durham Alzheimer's is looking for local help too, Go to <https://alzheimer.ca/durham/> I am sure there are many other opportunities to share your skills and energy. Let's do what we can to make our town a better place now and for the future.

From Your Speakers' Chair

At our October meeting, **Susan Sheen** came to tell us about the Lions Foundation Dog Guides and their Foster Puppy Program. Susan brought her foster poodle puppy Maui and an Uxbridge friend Nicky came with her foster, a black lab named Rockette. (The black lab is in the breeding program at Dog Guides, and she gave birth to 4 puppies about a week later!) After the meeting our members were very generous, and combined with the Speaker Fee donation and Share the Wealth, we raised \$750 for the Foundation!! Please visit: www.dogguides.com for more info.

Nov. 13 – Sean Musson - Cenotaph Stories Project

In the spirit of Remembrance Day, Sean Musson will talk to us about Canadian Cenotaphs, their purpose and history. Sean and two others, Claus Reuter and Dave Francis started the Cenotaph Stories Project in Lindsay, after Sean discovered there were names of his own family members on the Lindsay Cenotaph. Their aim is to bring back to living memory, the life stories of some of the brave individuals whose names are carved upon the memorials, and to honour their service and the spirit of those who created the Cenotaphs. He will have some stories from the Uxbridge Cenotaph to share with us as well.

Dec. 11 - Christmas Luncheon - Entertainment by Cruisin'

Jan. 8 - Neil Crone - Rectum? Darn Near Killed 'Em!

Perfectly punctuated with moments of laugh out loud humour and sobering insight, Neil Crone, actor/improviser/writer/all-round good guy, candidly describes his journey through diagnosis and treatment of Stage III colo-rectal cancer and how his training as a Mainstage Second City comic improviser taught him how to say 'Yes' to everything that was thrown at him.

Prepared by Zina Bolak

From Your House Chair

I am happy to report that in November we will be setting up a new coffee station to alleviate some of the waiting in line for coffee and to spread the traffic around the room. The new coffee station will be at the front of the room and only regular coffee will be served there. Our regular coffee station will continue at the back with decaf and regular and the tea station will stay the same. We are really hoping these changes will make a difference in your break experience.

This month's team is

Set Up – Ann Wicks, Barry Scarlett, Steve Fryzuk & Janet Patterson

Kitchen – Sandra Will, Gail Crawford, Gwen Ringling, Suzanne Murphy, Gerri Martin & Paula Donahoe

What do we think....Hocus Pocus or The Witches of Eastwick?

... The Uxbridge PROBUS Club for Members Only Facebook group has increased to 142! It is a great way to get a look behind the scenes of some of outings like the recent car rally. Thanks to Ellen Gillis for this month's photo! You can find us by searching for PROBUS Club of Uxbridge.

NOTE: You will need a Facebook Account to join in the fun!

DON'T FORGET!

Our next General Meeting is Wed., Nov. 13. Our **Bring and Take** table is available. Bring a few books or puzzles you have enjoyed. Anything left over at the end of the meeting, will be donated to Chances Are. And think about extending the fellowship of the club by joining us for lunch at the **Corner House** Restaurant. As you can see from the smiling faces, we'd love to have you for lunch! (Photo on the right, not the one above!!!)

Volunteer Drivers

If you ask a resident of Uxbridge about Durham Transit, you will likely get a blank look in return. There is public transit in town, but it is not well understood, and very limited in scope. Uxbridge is a drivers' town. With a car, you can do anything and go anywhere. Unfortunately, many of us will outlive our driving licences, and become dependent on others that means family and friends, if available, but they may not be. Community Care Durham offers a driving service that is volunteer-based and for many an ideal solution. I have participated in this for some years now as a driver, and find it quite rewarding, in that I am able to help people who need help, and meet some interesting folks at the same time. The effort is minimal.

If you would like to provide a real service to the community, please contact me at chuckheroux@gmail.com and I will tell you about the programme, and how you can help. You will be reimbursed for gas. Thanks for considering this opportunity.

Haliburton Wolf Centre - October 8

Our PROBUS trip to the Wolf Centre began with a first stop in Fenelon Falls where people could wander down to enjoy the Falls.

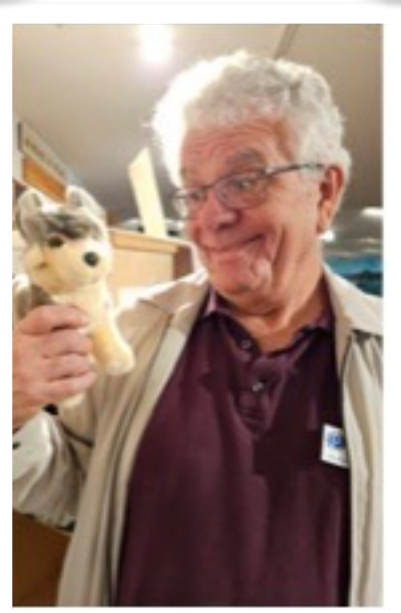

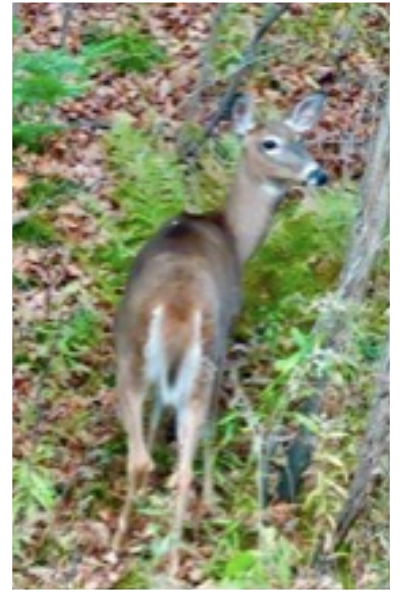

It was then onto the Bonnie View Inn for a delicious lunch in a beautiful setting on Lake Kashagawigamog. The fall colours were just starting to show their finest.

The next stop was the Wolf Centre where, although we didn't have the luck to see a wolf, we learned about their amazing habits and their habitat.

We satisfied our shopping needs by stopping at the Cottage Country Log Cabin Trading Co. where there was an eclectic array of merchandise.

Thank you Ron Brown, our tour guide, for a wonderful day.

Car Rally Oct. 24 - Scary great !!!

There's nothing like asking folks to dress up in costume and drive around town looking for weird things to bring out the creative kid in all of us!!! That's what happened when carloads of your fellow Uxbridge Probus members dressed themselves and their cars and headed out for the day winding up at Swiss Chalet for dinner!! It was a real blast!!!

Superman led the way!

Spiderman wasn't there but his friend was!

Even the cars were disguised!! Can you believe that this is actually a new Corvette?

The Holy Rollers tried to keep things on track but even a fully dressed nun couldn't quite manage the riff raff!

But all was well by dinnertime - although Swiss Chalet may never be the same! Thanks go to John Willcock and the Social Committee for all your efforts!

CAR RALLY WINNERS!

Best Team Award (combining points and time) was The Black Widow Spiders. Gleefully, April, Amber, Jen and Joanne took home their trophies, certificates and mini log books with pens.

Honourable mentions to all the remaining teams. Their costumes and enthusiasm helped make the event a treat for the eyes. Hats off to the Ghostly Ghouls, Stevie Nix Special, the Holy Rollers and Four Cool Cats.

The Trivia Game (with friends helping friends) had multiple winners who scored 8 points or more out of 11.

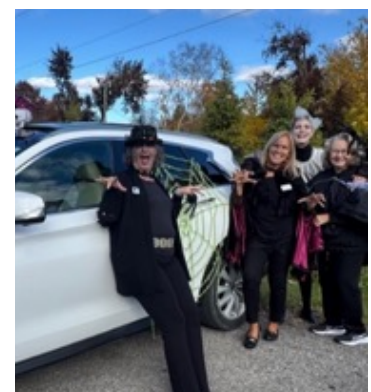

Best Team Costumes Award continued the spiders theme as the Ta Ta Tarantulas took home the trophy. Their car had a huge spider perched on top. Sally, Melanie, Norma and Anne presented us with an amazing 8 legged Ta Ta dance. WOW!

Best Individual Costume Award went to Marion Martin for her gruesome rendition of Dracula's bride.

Best Effort Award went to the only team brave enough to phone a friend for help. Well done Devil's Coven members Carol, Cheryl and Larry!

If you have an idea for a new group or want to join one of the existing groups, please contact us!

AGE GETS BETTER WITH WINE: Coordinators Sherrill Burns & Anne Gauvreau

This group has a wait list

In October, the group explored two wine varietals, Chardonnay and Pinot Noir, accompanied by a smorgasbord of cheeses. We meet again on November 13. This group meets on the second Wednesday of the month.

BANNED BOOK CLUB: Coordinator Camille Scarlett

In October, we discussed *The Wars*, by Timothy Findlay. This book has been challenged and removal requested from schools in Canada, due to violence and sexual content. We felt that the book was a timely choice with upcoming Remembrance Day. Our next book is *That Librarian, The Fight Against Book Banning in America*, by Amanda Jones. This group meets on the third Tuesday of the month at 1:30.

BOOK BUDDIES: Coordinators Gerri Martin & Kelly Keilty This group has a wait list

After an enjoyable September meeting we are already looking forward to October when we will give "A Nod To Maud" by discussing *Blue Castle* by Lucy Maud Montgomery. All the members of our club are enthusiastic readers who have varied opinions of the book chosen which leads to lively discussion! Our next meeting is on Thursday, October 24 at 1:30. This group meets on the fourth Thursday of the month at 1:30.

BOOZIN' BEGINNERS' BRIDGE: Coordinator Anne-Marie Sacco NEW

This group is for those people who want to be introduced to the game. It is not intended to teach at a higher level. This group meets each Tuesday at 1:00.

CANASTA CREW - GAMES & LESSONS: Coordinator Amber D'Aguiar

Canasta is a fun and challenging card game played in groups of four. This month we will be playing on **November 7** (switched). Each month, lessons and/or reminders on how to play will be provided from 1-2pm, with games to follow from 2-4pm. Come join the fun! This group usually meets on the second Thursday of each month.

COURT JESTERS (PICKLEBALL): Coordinators Gerry Bignell & Alan James

The pickle ball season is coming to an end but the enthusiasm does not wane. We are like the Energizer Bunnies - until the net comes down we just keep on playing and playing and playing.

EUCHRE: Coordinator Carolyn Hicken

Our next gathering will be on November 5 at 10 a.m. This group meets at 10:00 on the first Tuesday of the month.

GARDENING GURUS: Coordinator Sally Kotsopoulos

The Gardening Group met Oct 3 for lunch at the Trail Hub. Our goal was to see the fall colours. Hard to believe that on that day just a month ago everything was still pretty green. We had 12 participants for a lovely lunch. This month we will meet on November 8 to discuss fall planting for spring and putting the gardens to bed for winter. Having already had a couple of heavy frosts, we will all be seeing the end of our gardens' bright colours. We will also be discussing joining with the Handicrafters in December for anyone who wants to create a holiday centerpiece. See you on the 8th! This group usually meets on the first Thursday of the month.

GENIAL GENEALOGISTS: Coordinator Bernie Beales

Our October meeting spent time discussing how to connect with folks that have a public family tree or have contacted us as DNA relatives. Making connections is perhaps the most enjoyable part of research but can also be overwhelming! If you are looking for Christmas gift ideas for hard to shop for relatives, most of the big genealogy companies are offering discounts on DNA kits! **Our next meeting has to be switched to November 14** - hope to see you there! The Genealogy group usually meets on the third Thursday of each month from 1:30-3:30.

HANDICRAFTS: Coordinator Sally Kotsopoulos

As always, we encourage members to bring the projects they are working on but a couple tried out the paper materials and frames for creating seasonal art. I will be bringing these materials back again for November's meeting. Anyone interested in trying this out should bring a shadow box frame or flat frame to the Interest Group. Our next meeting in will be Nov 15. Please let Sally know if you plan to attend. We will also be finalizing our date for December for those members who would like to create a holiday centerpiece. This group meets from 1-3 pm on the third Friday of the month.

KITCHEN BRIDGE: Coordinator Anne-Marie Sacco

Our next date is November 7th. Hosting may change month to month. This group meets on the first Thursday of each month at 1:00

LADIES' BRIDGE CLUB: Coordinator: Caren Narvet

Ladies' Bridge has adjusted plans for the new year and will be meeting on the second Tuesday of the month going forward. The group includes a wide variety of skill levels in the game and game play is informal. The group enjoys animated chatting while enjoying the game. New members are welcomed. And if anyone is interested in learning the game, please let us know.

LATIN DANCING: Coordinators Anne-Marie Sacco \$15 per session

To be announced. Our teacher has been away this past month. Typically this group meets on the second and fourth Mondays of the month from 3-4.

LAUGHING MATTERS: Coordinators Amber D'Aguiar & April Gilkinson

We are having a great time and are hoping you will join in the fun on Mon Nov 18th from 1:30 - 3:00. No experience necessary, just an open mind and a willingness to be silly. There is no right or wrong and the more laughs the better. All are welcome. This group meets on the third Monday of each month from 1:30 - 3:00

LET'S EAT OUT: Coordinators Gail & Chuck Heroux

October was an out of town dinner with sixteen in attendance. We returned to Stefanos in Beaverton for an Italian feast, and Stephen did not disappoint. His is a one-person kitchen; he shops for fresh ingredients each day, prepares the meals, and serves them himself. We all agreed it was a relaxing and successful night. Stay tuned for details for November. This group meets on the third Tuesday or Thursday of the month.

LIT HAPPENS: Coordinator Jen Thorson This group has a wait list

Following discussion in September of our third non-fiction pick this year, Lit Happens moves back to fiction in November with Greenwood, by Michael Christie. This group meets at 1:00 on the fourth Thursday of the month.

MONDAY LUNCH BUNCH: Coordinators Betty Bignell & Joy Freemantle

The Monday Lunch Bunch will meet next on November 25. In Oct. many of us enjoyed lunch at The Twisted Fork in Mount Albert. It was Gail Heroux's birthday and Chuck surprised Gail (and everyone else) with a delicious birthday cake to share. The group meets on the last Mon. of each month.

MULTI-DAY TRAVEL OPTIONS: Coordinator Anne-Marie Sacco

Newfoundland in June is still a go! We have been able to access one more room so, if interested please contact me.

REDUCING YOUR FOOTPRINT: Coordinator Brian Keeling

Conversation covers a broad range of topics centred around best practices for reducing our footprint on our precious planet. This group meets at 10:00 on the third Wednesday of the month.

SCRABBLE: Coordinator Judy Fink

The Probus Scrabble group will meet after the general meeting on November 13th. Feel free to bring your lunch or a snack to enjoy before we actually start our Scrabble games around 1:00. The door is opened at 12:30 so we have time to chat and enjoy some food before we begin to play. New players are welcome. This will be our last game for 2024 so do try to join us on the second Wednesday of the month. This group meets on the second Wednesday of the month at 12:30.

SMALL TOWN THEATRE: Coordinators Steve Fryzuk & Peggy Kennedy

In October small town theatre members attended a matinee performance of Barefoot in the Park at the Oshawa Little Theatre. Our November event will be at the Whitby Courthouse Theatre when we see Yonkers. We will get together for lunch before hand. Small town theatre members attend matinee performances at theatre in the York and Durham region. A lunch is scheduled before the play.

TAKE A HIKE: Coordinators Carol Fraser & John Willcock

Our Goodwood/Uxbridge area has a wonderful series of trails through a variety of forests and meadows, some quite flat, some with gentle hills. We explore these forest trails near Uxbridge in the Durham and York Regions for 1 ½ to 2 hours. Join us for lively discussions, interesting views and leisurely treks! Next hikes will be Thursday November 7 and Thursday November 21. The Hiking Group meets on the 1st and 3rd Thursday of each month at 9:30.

TOO PAR GONE (GOLF): Coordinator Albert Fintelman

We have played golf every Monday this month but Thanksgiving Day. We had our season finale scramble at Spring Creek GC on October 7th. We had a banquet lunch, and prizes. It's been a great season and I think everyone has had a great time! Some of us plan to continue to play golf until it's just too cold, so I will continue to schedule golf until then.

**Every time I take up a new sport or exercise, I meet new people!
Usually they are paramedics but they are still new people!**

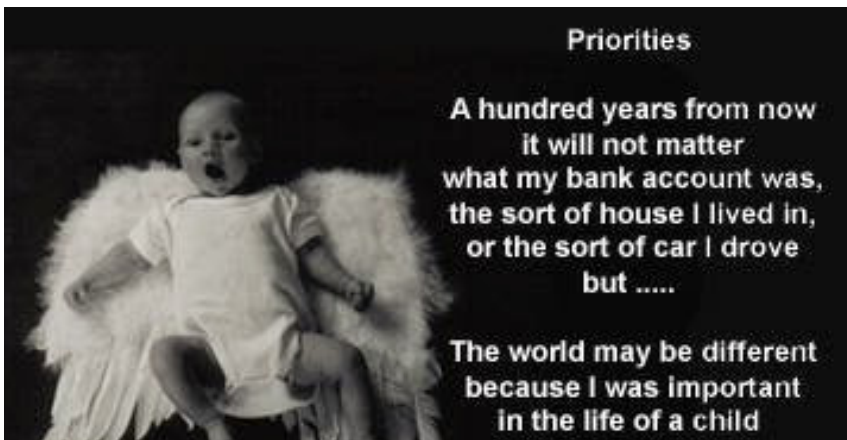

TWO POTENTIAL INTEREST GROUPS LOOKING FOR COORDINATORS!

We have ideas for new interest groups which just need someone to get the ball rolling! If you are interested in joining (or leading) one (or both) of these groups, please contact Jen Thorson as outlined in the gold box above.

LAST-MINUTE FUN: Are you up for spontaneous social get-togethers? Do you have a challenging schedule that makes planning ahead difficult? Last Minute Fun is designed to tap into our numerous local community hub events on short notice and enjoy with like-minded Club members.

S.O.L.E. (Sort-Of Local) Explorers: Exploring the nooks and crannies of our diverse area, each adventure will be an easy drive within our region. Destinations could include, but are not limited to, antiques/farmers/crafts markets, trails, waterfront parks, eateries, historic sites or museums, farms, shopping, cinemas – let your imagination fly!

From Your Webmaster

Remembrance Day is just a few days away, giving us pause to remember all those who made the ultimate sacrifice so we could enjoy freedom today.

Halloween has come and gone with scores of little kids all dressed up coming to the door with their trick or treating and cheerful thank yous.

Christmas will soon be upon us. With that in mind, I went searching for some seasonal events to add to our Community Hub Page at <https://uxbridgeprobus.ca/community-hub> for your enjoyment! Keep checking in as I will continue to add more as I find them.
