President's Message

October is a busy month! Not only is it Thanksgiving, but there are municipal elections taking place across the province. You'll hear a little more about this at our general meeting. We were also concerned that we might not be able to meet at our usual location this month following an unfortunate incident involving a car going through the wall of the community centre. Fortunately, the Township has been busy making repairs, and the work is well underway. We will be back at our usual location on October 14th.

October is also Probus Month, and this year Probus is celebrating its 40th anniversary! Did you know that Probus is now active in more than 20 countries? In Canada, there are more than 260 Probus clubs, with Ontario representing by far the largest number.

As President, I have the opportunity to speak with other Probus presidents, and I can tell you that I am incredibly proud of our club. Wherever you happen to be, whether it's at an Interest Group, a Social Event, or a General Meeting, there is a real sense of excitement and enjoyment in simply being together. Our Management Team is unlike any team I have ever been part of. We enjoy working together, and we take great pride in how meaningful this club has become to so many people.

By October, our children and grandchildren are settled back into school, and life begins to return to its regular rhythm after the activities of summer.

This month's newsletter is full of information about what is happening in our club. I encourage you to take some time to read through it so you don't miss anything.

Enjoy your Thanksgiving, and most of all, enjoy spending time with your friends here at our amazing Probus Club!

Robin Dhillon

From Your Speaker's Chair

**The Community Centre has been stabilized where the accident happened. It is safe to use for our meeting.
Still lots of parking!!**

Please remember to lug-your-mug for coffee break.

Last Month - Mike Daley

Wow, what a treat we had last month with Mike Daley and his Paul Simon, the Solo Years show! He sang many of Paul's hits, starting with 50 Ways to Leave your Lover, as well as Kodachrome, Still Crazy and Slip Slidin' Away among others. He interspersed the music with fascinating stories behind the man and his life including bits about his tumultuous partnership with Art Garfunkel.

October 14 - Norman Douglas — You Be The Judge

Retired Criminal Court Judge and former Crown Prosecutor, Norman Douglas will present us with sample cases for us to think about how we would rule. He'll talk about the many questions and challenges that must be considered in order to provide fair and impartial justice. He has also written a book which will be available for sale.

More info at: bethejudge.ca

This meeting will be held at Uxbridge Community Centre.

November 11 - Ellin Bessner — She Also Served

Journalist and author Ellin Bessner will do a special Remembrance Day presentation about the unknown story of the Canadian women of Jewish faith who helped defeat Hitler in the Second World War. Do you have any WW II artifacts, like medals etc? Feel free to bring them. There may be an opportunity to briefly share the story.

More info on Ellin: <https://ellinbessner.com>

This meeting will be held at Uxbridge Community Centre.

From Your House Chair

Next Meeting: Wed October 14 at 10:00 a.m.
Uxbridge Arena and Community Centre

It's hard to believe we are into October and the cooler weather is slowly creeping in. Soon the leaves on the trees will display their beautiful colours to remind us fall is here!

REMINDER: Please help us save the environment----remember to **LUG-A-MUG** to our meeting. A disposable coffee cup can take years to break down.

The House team volunteers helping for our October 14 meeting are:

Set Up: Morgan Baker, Fay Grove, Brian Keeling and Vicky Baker

Kitchen: Debra Lippay, Mary Freedman, Susan Hillar

Greeters: Anne Gauvreau, Dianna Ayton, Sharon Thorpe

Thank you all for your help

Cheryl Bain

ARE YOU ON THE VOTERS LIST???

This Month you get to vote for your preferred candidates in the municipal elections. Here in Uxbridge we will **all** be voting **ONLINE**. No polling stations. No paper ballots. No pencil or pen to write your X in the box.

Make sure your are ready and able to vote. Eligible electors who are on the voters list should receive their Voter information Letter by mail in early October. This letter includes important voting details including your personalized PIN. You will need that to cast your ballot.

You **must** check that you are on the voters list. You can do that by calling or visiting the Township Clerks Department at Town Hall. You can also confirm your information at uxbridge.voterservices.ca .

If you are not on the list, or need to update your information, you must call or visit the Township Municipal Office at 51 Toronto Street South during regular business hours: Monday to Friday 8:30 am to 4:30 pm.

If you need help with internet voting there are four Voter Assistance Centres that will be staffed to help during the voting period - October 13 at 9:00 am to October 26 at 8:00 pm. The locations are Town Hall, Uxbridge Public Library, Zephyr Community Centre and Goodwood Community Centre. Please call Town Hall (905-852-9181) for specific hours at each Voter Assistance Centre.

Exercise your democratic right to vote!

Special 40th Anniversary Information

The planning to celebrate Probus Canada's 40th Anniversary in 2027 is progressing nicely. More on that will be relayed in the coming months. One of the first, highly requested, components of our plan is to offer anniversary logo-ed merchandise via an online store. We have partnered with a small Canadian entrepreneur, Ladybug Designs, to offer the following logo-ed items:

- sweaters
- hoodies and sweatshirts
- t-shirts
- polo shirts
- baseball caps
- coffee mugs
- travel tumblers
- tote bags
- playing cards (as a bulk order)
- collector pins will be offered in late October

With Christmas approaching, you might wish to make a gift purchase for your favourite Probian. There is free shipping being offered on orders over \$100, so it might be a good idea to partner up with a Probus buddy or two. Visit the store today to see what is on offer and check back periodically to see any new items that have been added.

Your Eco-Tip of the Month

This fall, leave that messy lawn. Stop! Put that rake down. No need for any of us to get hurt here. Now, slowly, back away from that rake and read on 'Did you know?'

Leaving fallen leaves and debris, saves you physical work, naturally enriches the soil as leaves decompose, insulates plant roots, and provides essential winter habitat for beneficial wildlife. Many plants, especially late flowering goldenrod & asters, provides late season food for wildlife. Fall is an ideal time to plant native grasses & milkweed for our pollinators. Tall grasses give shelter from winter winds & cover from predators!

If you cannot leave all your leaves where they fall, use your leaves in other beneficial ways by using them as compost, mulch, etc.

Create brush piles: Stack fallen branches, twigs, bark, and leftover plant debris in a quiet corner to support local biodiversity.

Remember: In urban areas, DO rake leaves out of storm sewers and drainage pathways.

Wait until spring: Delay your major yard cleanup until spring weather is consistently warm so emerging insects have time to safely leave their shelters.

Now, please safely put that rake away, and watch how your garden benefits!

Maximum Security vs Maximum Luxury!

Visiting Kingston Penitentiary and SS Keewatin – Tues. Sept. 22

At 8:30 a.m., twenty-six groggy Probus members boarded the Mary Morton coach desperately hoping our upcoming adventure and three hour drive to Kingston would be worth getting up in the dark! (Spoiler alert – it was!). Our driver, Ferron, expertly navigated the toll-free section of the 407 and onto the 401 so we actually made it to our lunch reservation at the Holiday Inn Waterfront a half hour early (which gave us all plenty of time to skip to the loo!). Lunch was a delicious three course meal of Maple Glazed Chili Chicken or Fish & Chips.

We were met at Kingston Penitentiary by our tour guide Peter who was a wealth of knowledge! We learned the Penitentiary opened in 1835 and was built from locally quarried limestone bricks handcrafted by the prisoners themselves! This was Canada's principal maximum security prison and in the early years, it also housed women and even children as young as 8 years old! It was erected on the shores of the St Lawrence as travel by boat at this time was faster than by the rudimentary roads. Prisoners and supplies had to be "sent down the river"! We toured the cell blocks, and viewed the recreational facilities, workshops and even a half dozen bungalows set up for "extended family visits". During its 178 years in operation, only about 50 prisoners managed to break out and just one (Donald "Mickey" Macdonald) was not recaptured and is still "at large". As prison reform demanded upgrades to the size and quality of the cells that would be exorbitant to execute, the prison closed in 2013. After a quick trip to the gift shop (I was SOOO tempted to buy a Kingston pen!) we made our escape aboard our motor-coach.

It was then time to enjoy some Maximum Luxury as we toured the SS Keewatin (pronounced key-way-ten) led by steamship expert Emily. The SS Keewatin was built in Scotland in 1907 and is one of the last of the Edwardian steamships still standing. The ship was commissioned by CP Rail as a link between the eastern Trans-Canada railway ending in Port McNichol, Georgian Bay and the start of the western portion which began in Thunder Bay (then Fort William). Although it is significantly smaller than the Titanic, it was too large to fit through the Welland Canal for entry into Lake Huron so it was built in two pieces that were riveted together later. The voyage took 2-1/2 days but most folks did the 5 day round trip as a luxury cruise. Back in the 1950's, this trip cost about \$100 per person which translates to about \$1200 today so it was certainly not cheap! The ship boasted a crew of 86 for the 288 passengers and was decked out with Murano stained glass, mahogany and brass stateroom fittings and even an on-board barber who also acted as the postmaster and ship medic. The ship had to be decommissioned in 1965 as new laws regarding fireproofing made the wooden ship impossible to retrofit. Despite its luxury promotion, the staterooms would not generate much business from today's demanding cruise ship travellers. The rooms slept 3 people (you might have been sharing with a stranger) and did not have a toilet or shower. You had to use a chamber pot (referred to as a Thunder Mug) which was emptied by calling a bellhop (who always appeared with a hand outstretched for a tip!). The staterooms were actually smaller than the cells in the Kingston Pen (although you could leave at will and spend time in the ladies' drawing room or the men's smoking room). The other interesting comparison is that both locations were featured in many movies and tv shows including *Murdock Mysteries*!

A final stop was made at The Big Apple to stock up on Apple-Cheddar bread and finally back to Uxbridge almost 12 hours after we departed. Thanks to our Social Committee for coming up with yet another event that was both educational and entertaining!

Timbercreek Mini Golf - Thurs. Sept. 10 - Report by Bernie Beales

Torrential rains transforming putting greens into death defying water slides! Lightning striking raised putters and electrifying terrified golfers! Hurricane force winds propelling seniors still clutching their umbrellas skyward like the nannies in Mary Poppins! To avoid all the above, with heavy hearts, we had to cancel our June 18 Mini-Golf Tournament.

Fast forward to Sept. 12. A beautiful clear sky with the sun safely peeking out from behind fluffy white clouds greeted 23 eager golfers as we formed foursomes to tackle the challenges of the Logging Camp Course! We laughed, we cursed, we commiserated with our fellow duffers as we battled our way through 18 holes of putting greens. And at the end, we celebrated surviving the wilds with a Kawartha Dairy ice cream treat!

The results were varied but the experience was enjoyed by all. Special mention must go to the members of the "Hole-in-One Club". Albert Fintelman, Don Osborne, Nancy Emo, Marion Martin, Steve Fryzuk and Peggy Kennedy all "aced" one of the holes. Next year, I think Social should spring to provide each of us with a donut so we can all brag we too had a Hole in One at the golf course!

AGE GETS BETTER WITH WINE: Coordinator Anne Gauvreau

This group meets on the second Wednesday of the month at 7:00.

BOARD GAMES: Coordinator Wayne Louie

Board Games will resume on Wednesday October 28 at 2PM, location "Game Juice Cafe", walking distance from the Uxbridge Library.

This group usually meets on the fourth Wednesday of the month at 2:00.

BOOK BUDDIES: Coordinator Gerri Martin

Book Buddies resumed their meetings in late September. We were so engaged and happy to be together again. It's exhilarating to hear one another's take on the same book, but with so many different perspectives. On Thursday October 22nd at 1:30 we will meet to discuss Atmosphere by Taylor Jenkins Reid. We obtained a book club set from Whitchurch Stouffville library. It makes it so convenient for all of us to have our own copy for the month before the meeting.

This group meets on the fourth Thursday of the month at 1:30.

CANASTA - HAND AND FOOT - GAMES & LESSONS: Coordinator Amber D'Aguiar

Hand and Foot is a type of Canasta card game. Join us on October 8th as we always host lessons and reminders before we all start playing. Always a great time playing and having some laughs.

This group meets on the 2nd Thursday of each month.

COURT JESTERS (PICKLEBALL): Coordinators Alan James & Bill McMahon

Court Jesters featured pickleball player for September is Cheryl Bain. It could be argued that Cheryl is the most devoted member of our group she drives the furthest to play. Cheryl symbolizes the spirit of Court Jesters. She enjoys having fun and a few laughs while getting in some exercise. But be on guard when opportunity presents she will offer up a punishing forehand that keeps her opponents on their toes!

CREATIVE WRITING & MEMOIRS: Coordinator Kathy Clulow

Our Creative Writing and Memoirs group is busy making memories until we resume again in October. Our first prompt just may be "Think of one experience over the summer. How did it make you feel?"

Come and join us.

This group meets on the second and fourth Tuesday at 2pm.

GENIAL GENEALOGISTS: Coordinator Bernie Beales

Now that summer is wrapping up, we had larger group than usual at our September meeting - but we still have room for YOU if you are looking to begin your family tree. The next meeting will be Thursday October 15. This month, our discussions showed the group how to use the Toronto Directories to learn where our ancestors lived and we also did a couple demonstrations on how AI can be used to

create a step by step plan to break through brick walls. In tribute to AI, the first photo is a shot of the group and the second is an AI generated poster celebrating our team! This group usually meets on the third Thursday of each month from 1:30-3:30.

GRAPE MINDS THINK ALIKE: Coordinators Melissa Harding & Caren Narvet

We resumed in September after a brief summer hiatus. Our group of adventurous, fun-loving wine tasters explored various Chilean wines and found a few to add to our "go-to" lists. We thoroughly enjoy our lively discussions around tasting wines from different regions around the world. We would love to welcome a few more members.

This group meets on the third Wednesday of the month.

KITCHEN BRIDGE: Coordinator Anne-Marie Sacco

Kitchen Bridge is held the first Thursday of the month at 1:00. Men and women are invited.

KNIT OR NOT HANDICRAFTERS: Coordinators Irene Hoekstra and Judy Armstrong

We had a great turnout of 10 ladies for our first Knit or Not gathering at Douglas Crossing in September. Everyone happily worked on their own project, including peeling apples, diamond art, felting pumpkins and gnomes, cross stitch, knitting and crocheting.

This group usually meets from 1-3 on the third Friday of the month

LADIES' BRIDGE CLUB: Coordinators: Margaret Langlands & Caren Narvet

WAIT LIST

This group meets on the second Tuesday of the month at 1:00.

LET'S EAT OUT: Coordinators Gail & Chuck Heroux

Let's Eat Out had their September dinner at Scaddabush in Whitby. A bit of a drive, but a surprisingly attractive restaurant with an innovative menu. Eighteen of us had a most enjoyable evening and great food. This chain has a place in Aurora, we are told, so that may be a future adventure.

This group meets on the third Tuesday or Thursday of the month.

LIGHTS, SNACKS, ACTION!: Coordinators Melissa Harding & Irene Hoekstra

"Lights, Snacks, Action!" has resumed! Members attended the Roxy Theatre in September for Practical Magic 2, enjoying the show, each other's company, and of course, the requisite buttery popcorn!

This month we will be attending the Short Film Festival at the Roxy.

LIT HAPPENS: Coordinator Jen Thorson

September found us wading through an autobiographical work by Hollay Ghadery titled Fuse. It wasn't easy; Ghadery goes in-depth on her OCD, bulimia and anxiety issues, but it did spark some fascinating and personal conversations! Of interest: Ghadery (who lives in nearby Oakwood) has been long-listed for this year's Giller Prize, and is the publicist for the new release Family Rooms, written by local doctors Jennifer Wilson and Carlye Jensen. Next month we'll be discussing Cutting For Stone.

This group usually meets at 1:00 on the fourth Thursday of the month.

MAHJONG: Coordinator Amber D'Aguiar

It was a full house at Mahjong in September. It was wonderful hearing so many shout "Mahjong!" Join us to see what all the fuss is about. We play on the first Tuesday of the month. This group usually meets on the first Tuesday of each month at 1:30.

MONDAY LUNCH BUNCH: Coordinators Betty Bignell & Joy Freemantle

The Monday Lunch Bunch enjoyed lunch and great conversation in September at Joy's Fish and Chips in Uxbridge. The group will meet next on October 26.

This group meets the last Monday of each month.

REDUCING MY FOOTPRINT: Coordinator Brian Keeling

Join us for always lively and informed conversation on how WE can make a difference to the health of our planet. We cover a huge range of topics, and never leave a meeting without having learned something new.

This group meets on the third Wednesday of the month at 10:00.

ROMEO (Retired Old Men Eating Out): Coordinator John Willcock

This men's group meets to solve the problems of the world over lunch. Many topics are discussed but we still have not solved the world's problems. This month it looks like we have more worldly problems than usual. Our next meeting will be September 24th. This group usually meets on the fourth Thursday of the month at noon.

SMALL TOWN THEATRE: Coordinators Steve Fryzuk & Peggy Kennedy

Small Town Theatre group has two exciting matinee performances coming up! We will be seeing LITTLE SHOP OF HORRORS on Sunday, October 4th. Prior to the play at the Oshawa Little Theatre we will meet for lunch at One Eyed Jacks. In November, we will see OVER THE RIVER AND THROUGH THE WOODS at the Aurora Theatre.

Small Town Theatre members attend matinee performance on weekends in the Durham and York Regions. We gather for lunch together before the performance.

TAKE A HIKE: Coordinator Nancy Melcher

October will see the first outing under Nancy's new leadership. Local trails, about an hour or so, 4.5 to 5 km distance, we keep together as a group and enjoy a brisk pace. We make time for a snack afterwards. **Day and time may change** to enable more outings. Location TBA each time.

The Hiking Group meets right now on the first Wednesday of each month. Contact Nancy for more information - noel80r65@gmail.com

TOO PAR GONE (GOLF): Coordinator Albert Fintelman

Too Par Gone Golf group has played every Monday morning at local golf courses. We enjoy a meal afterwards too!

TWO RIGHT FEET (LATIN DANCING): Coordinator Anne-Marie Sacco

Partners are good but not necessary. **There is a cost of \$15.00 per class.**

This group is held each Monday from 3:00 to 4:00.

W.A.L.K.S. (WE ALL LIKE KINETIC STROLLING): Coordinator Nancy Melcher

WALKS members are enjoying the cooler temperatures that autumn brings, and we had our first FOREST walk at the end of the month. More of those to follow now that the mosquitoes are busy looking for parkas!

This group usually meets every Monday morning at 9:30.

TUMS is missing out on a terrific opportunity. They should have a line of antacid tablets that are pumpkin-spice flavoured. Then they could call them **"Autums"**!!
