

JOIN THE MCB FAMILY

Band members are part of the MCB family, but every one of you in the audience is as well. Whether you've been with us for decades or are seeing us for the first time, you're important to us and we're glad you're there at our shows. We host subscriber events to celebrate with and enjoy the family.

WHO IS MCB?

Since 1978, Markham Concert Band has been all about the love of music. 75 members, ranging in age from their twenties to their eighties, meet every Monday at the Cornell Community Centre to rehearse a wide variety of music. At the Band's four shows held annually at the Flato Markham Theatre and at our many outdoor shows during the summer, audiences enjoy music from marches and movie themes to Broadway hits and rock classics.
