

Circling Hawk Honey and Mead

13433 Leslie Street, Richmond Hill (just south of Bloomington)

Thursday June 12 11:00 AM - 2:00 PM

This will be an interesting and educational self drive event.

Admission is \$25. Sign up and payment in advance is required.

Guided tour with the Head Apiarist and Mead Maker. Includes the following:

- * Tour of the stable, main bee yard, mating yard, haskap, apple, raspberry & pear orchards
- * Introduction to horses, feed the horses apples or carrots
- * Discussion of the flowers & trees in bloom and what to plant in your garden to help bees
- * A lesson about how honey is made by the bees and then harvested
- * A look at the honey extraction facility
- * A look in their wine production facility and a Q & A about how delicious honey-wine (mead) is fermented
- * They will open a live hive to see the types of bees and the queen (weather permitting)
- * Discussion of the products from the hive
- * Mead and honey tasting

Following the tour, wood fired pizza will be available, at an additional cost for those wishing to eat.
