ARE YOU HOMELESS or FACING a HOUSING CRISIS?

If you are homeless, facing a housing crisis or working with someone who is, refer them to a **COORDINATED ENTRY (CE) SPECIALIST** whose location and telephone numbers are below. The CE Specialist will conduct an interview assessment and determine the nature of the housing crisis and will develop a HOUSING STABILITY PLAN (HSP).

Here is WHAT TO DO!

1. **CALL** one of these Coordinated Entry Specialists (CE)
2. **REVIEW** your housing situation with the CE specialist
3. **ANSWER** questions from the CE Specialist to help develop a plan
4. **FOLLOW** the instructions for follow-up provided by the CE Specialist

Resolving a housing crisis involves different responses based on a variety of situations and circumstances. Please be prepared to discuss: housing history, finances, family composition, identification documentation and other specific details of your housing situation. Based on the situation a determination will be made to detail what housing supports are available such as: Homeless Programs, Prevention Assistance Programs and/or housing counseling.
