

PRINCIPAL'S MESSAGE

Welcome to the Law and Public Service Magnet, a Linked Learning Silver Certified Pathway at the historic Theodore Roosevelt High School.

The Roosevelt Law & Public Service (LPS) Magnet has long established itself as a high quality academic program for students interested in exploring themes and careers in Law and/or Public Service. We are a California LAW, Inc. (State Bar of California) approved Pathway to Law School High School Program. Our Law Magnet partners include East Los Angeles College (ELAC) Pathway to Law School Program, ELAC Early College Program, the Linked Learning Alliance, Los Angeles County Superior Court, and the Constitutional Rights Foundation, among many others.

Law & Public Service Magnet students enjoy access to the many athletic programs and extracurricular activities at Roosevelt High School. LPS Magnet students compete on many sports teams at Roosevelt, winning League and City titles. LPS Magnet students also compete in Mock Trial, Debate and Skills USA, and are part of programs like College Track, Upward Bound, and Associated Student Body Leadership. There is something for everyone in the LPS Magnet, and we welcome students of all backgrounds and abilities.

Law & Public Service Magnet faculty is committed to our program outcomes of Civic Mindedness & Responsible Citizenship, Effective Communication, Ethical Leadership and Digital Citizenship. Students develop public speaking skills and their ability to use logic and evidence when building clear and concise arguments. In addition to exploring careers in Law & Public Service, students begin to recognize and think critically about traditional systems of law, criminal justice and power.

We are committed to providing all students with college prep coursework and relevant Law & Public Service careers skills and experiences so that all students have the opportunity to gain admission to a college/university and develop a plan to transition to a Law or Public Service career.

Be part of the Law & Public Service Magnet at Roosevelt High School and go anywhere you can dream of.

Make Roosevelt Law & Public Service Magnet Your Top Choice!

Ben Gertner, Principal
