Blessed to Be

Lyrics by Cindy Olejar

To wake up in the morning

To move around without warning

To have food to eat

And clean water to drink

Blesssed to be
Oooo, oooo, ooooo,
Oooo, oooo, ooooo, oooooooo
Blessed to be

To feel the sun
To hear the rain
To see falling snow
And smell sugar cane

Blessed to be
Oooo, oooo, ooooo,
Oooo, oooo, ooooo, oooooooo
Blessed to be

To work and play
To sing and dance
To smile and laugh
And have romance

Blessed to be
Oooo, oooo, ooooo,
Blessed to be
Oooo, oooo, ooooo,
Oooo, oooo, ooooo, oooooooo
Blessed to be

To feel the wind
To hear the birds
To see the mountains
And smell wild herbs

Blessed to be

And blessed to be
The one who knows

Blessed to be
The one who knows
