Waking Up

Lyrics by Cindy Olejar

Oooooooo, Oooooooooo, oooooooooo

Waking up, a brand new day. Ooooo,oooooooo,ooooooo

Waking up, a brand new day  
Ooooooooo,oooooooo,ooooooo

Ohohohohoh, Ooooooooo

Simply watching, reminds what is always here to stay.

Breathng in and out, in and out, in and out,  
Ohohohohohoh

Nothing to do or say, just watch and you will play.  
Ohohohohoh

Waking up, a brand new day Oooooooo, oooooooooo,  
oooooooooo

Thoughts left alone, no fears of the unknown, reminds  
what is always here to stay.

Thoughts come and go, come and go, come and go,  
come and go. Ohohohohohoh

Nothing to do or say, just watch and you will play.  
Ohohohohoh

Waking up, waking up, Oooooo a brand new day.

Ooooooooooooo, Ooooooooo, Ooooooooooooo

Embracing all that comes your way, shines what is always here to stay.

No good versus bad, simply watching, that is all to grasp.

Ooooooooooooo, Ooooooooo, Ooooooooo

No right versus wrong, simply watching is the song.

Ohohohohoh

Nothing to do or say, just watch and you will play.

Ohohohohoh

Waking up, waking up, Oooooooo a brand new day.

Ooooooooooooo, Ooooooooo, Ooooooooooooo

Accepting this moment, shines what is always here to stay.

Not needing more or less, a contentment and peace,  
never distressed.

Nothing to do or say, just watch and you will play.  
Ohohohohoh

Waking up, waking up, Oooooooo, Oooooooo watching the  
brand new day,

Is what is always here to stay.

Ohohohohoh, Ooooooooooooo

Nothing to do or say, just watch and you will play.  
Ohohohohoh

Waking up, waking up, Oooooooo, watching the brand new  
day.

Whoa, Ohohoh, Ooooooooooooo,ooooooo,ooo,ooooooo

is what is always here to stay.

Ohohohohoh, Ooooooooooooo
