

SEEKING LOVE

Seeking Love

Lyrics by Cindy Olejar

City walks, windows talk.

The hollow of wanting and to be sought.

Streetlamp secrets, shadows lurk,

Chasing whispers in the dark.

Heart of desire, doors get locked,

Masking clutter, love runs amok.

Buildings tower, winds lose power.

Echoes of a wilting flower.

Lusting vision,

Disrespect and division.

Losing oneself, the key to this prison.

Everything mirrors when ready to sleuth.

Revealing love of illusion and truth.

Moonlight walks, stars silent talk.
Pure love shines when not sought.

No agenda to have love,
Ends the seeking and projecting of.

Moonlight walks, stars silent talk.
Pure love shines when not sought.

No agenda to have love,
Ends the seeking and projecting of.

Ends the seeking and projecting of love.
