Into the Stars

Lyrics by Cindy Olejar

Sunrise, sunset,

The light and the dark being met. Oooooooooo

Round and round life goes,

Pointing to that which is always aglow. Oooooooooo

Go up into the stars,

Observing this wheel from afar,
You can then come to know who you truly are. Ooooooooo,
Ooooooooooooo

Joy and pain that beset,
Are the light and the dark not met. Ooooooooo

Round and round life goes,
Pointing to that which is always aglow. Ooooooooooooo

Go up into the stars,
Embracing all that turns on par,
You can then come to know who you truly are. Ooooooooo,
Ooooooooooooo

(Instrumentals)

Right and wrong that create fret,
Are the light and the dark not met. Ooooooooo

Round and round life goes,
Pointing to that which is always aglow. Ooooooooooooo

Go up into the stars,

Letting go of your scars,
You can then come to know who you truly are. Ooooooo,
Ooooooooooooo

When a rainbow then appears, Ohohohoh
Slide down to the spinning sphere. Ooooooo, ooooooooo,
oooooooooooo
Ohohohoh, ooooooooo, ooooooooooooo

This glow always here you will get, Ohohohoh, ooooooo,
oooooooooooo

When the light and the dark are peacefully met.
Ooooooo, ooooooo, Ohhhhhhhhhh
Ooooooo, ooooooo, ooooooooooooo

When the light and the dark are peacefully met.
Ooooooo, ooooooo, Ohhhhhhhhhh
Ooooooo, ooooooo, ooooooooooooo

(Instrumentals)
