To Know the One

Lyrics by Cindy Olejar

To know the one there must be two,  
You and I are a big clue.

Oooo, Oooo, Oooooooooo, Ooo, Oooo

1, 2 then 3 and more,  
Infinite possibilities from the core.

Oooooooooo, Ooooo, Oooooooooo

Light and dark, up and down, point to that which is  
always around.

Oooo, Oooo, Oooooooooo, Ooo, Oooo

To know the one there must be two,  
Awake and sleep are a big clue.

Oooo, Oooo, Oooooooooo, Ooo, Oooo

1, 2 then 3 and more,  
Infinite possibilities from the core.

Ohhh, Ohhhh, Ohhhh, Oooooooooo

Hot and cold, joy and pain, point to that which always remains.

Oooo, Oooo, Oooooooo, Ooo, Ooooo

To know the one there must be two,  
Life and death are a big clue.

Oooo, Oooo, Oooooooo, Ooo, Ooooo

1, 2 then 3 and more,  
Infinite possibilities from the core.

Oooooooo, Ooooo, Ooooo

Open and closed, in and out, point to that which is always about.

Oooo, Oooo, Oooooooo, Ooo, Ooooo

Look at what shows up here,  
To show you what is holding the mirror.

Oooooo, ooooo, ooooo, ooooo, oooooo

Oooooo, ooooo, ooooo, ooooo, oooooo

Look at what shows up here,

To show you what is holding the mirror.

Oooooo, ooooo, ooooo, ooooo, oooooo

Oooooo, ooooo, ooooo, ooooo, oooooo
