Always With You

Lyrics by Cindy Olejar

Gazing into your eyes, can reflect my hooded disguise.
Oooooo

Blinded by theatrical ways, I can't see the game I'm in
and play. Ooooooo, Oooo, Ooooo

Righting and fighting, reactions learned,

Trying to protect from getting burned.

Drama, the prologue to distress,

And perceiving the plot of the world a mess. Oh, Oooo,
Oooooo

To see without puppet eyes,

To hear without filtered ears,

Masks can drop, attacks steer clear. Ohhhh, Ohhhhhh

When thoughts are away,

What is it that stays?

Ohhhhhhhh

I am always with you,

No auditions to pursue.

No roles to persuade,

No performance to obey,

Shines an improvisational peaceful way. Ooooooo, Oooo,
Oooo, Oooooooo

Triggered by your words, reflects my inner world. Mmmm,
Mmmm, Mmmmm

Judgments I direct at you, my own character traits I'm not
ready to view. Ooooooo, Oooo, Ooooooo

Fleeing and fawning, typecasts learned,

Trying to protect from getting spurned.

These scripts can create division,

And yield to perceiving with tunnel vision. Oh, Ooooooo

To see without puppet eyes,

To hear without filtered ears,

Masks can drop, attacks steer clear. Oooo, Ooooooo,
Oooooooo

I am always with you,

No auditions to pursue.

No roles to persuade,

No performance to obey,

Shines an improvisational peaceful way. Ooooooo, Oooo,
Ooooooo, Ooooooo

Worrying what others will think.

Acts pretend and shrink.

Fearing what others might do,

Prevents one from being true. Oooo, Oooo, Ooooo

To see without puppet eyes,

To hear without filtered ears,

Masks can drop, attacks steer clear. Ooooooo

When thoughts are away,

What is it that stays?

Ooooooo, Oooo, Ooooooo, Ooooooo

I am always with you, Ooooo, Ooooooo, Ooooooo

The comedy in all of this, Ohhhhhhhh Oooooooooo

You are that which always exists.

Oooo, Oooo, Oooo, Ooooo, Ooooooooooooo, Ooooooooooooo,
Ooooo, Ooooo,

Oooo, Oooo, Oooo, Ooooooooooooo
