Just Be

Lyrics by Cindy Olejar

This is not something you achieve,

Yet this achieves.

You do not need light to see this,

Yet this is light.

You do not have to save for this,

Yet this saves.

You do not have to heal for this,

Yet this heals.

You do not need money for this,

Yet this is priceless.

You do not have to move somewhere for this,

Yet this moves you.

You do not have to know all the answers for this,

Yet this has all the answers you need.

You do not need to be recognized to have this,

Yet this recognizes.

This does not come from others,

Yet this connects each other.

This is not something you can force,

Yet this is the force.

This is not something you become,

This is what you are.

To know this, just be.

Just be.
