

# STAY WITH ME

Stay With Me

Lyrics by Cindy Olejar

Barefoot and bower  
Dancing with flowers

Nowhere to go  
Nothing to be

Here we are  
Stay with me

Soft grassy hill roll  
Caressing the soul

Nowhere to go  
Nothing to be

Here we are  
Stay with me

Calm water floating  
Thoughtfree emoting

Nowhere to go

Nothing to be

Here we are

Stay with me

Look to the sky

Birds sore and fly

Nowhere to go

Nothing to be

Here we are

Stay with me

Nowhere to go

Nothing to be

Here we are

The place to be
