Untouched

Lyrics by Cindy Olejar

There is a place untouched by noise. Ohohoh, ooooooooo,
oooooooo

Where everything is met with poise. Oooo, oooooo,
oooooooooooooooooooo

Like a childhood fort that protects and grounds.
This special place is always abound.

The doorway here is not what you think,
Look no further than I am to see the link.

I am, that is all,
Then silence will fall.

Ooooo, oooooooo, oooooooooo

I am, that is all.
I am, that is all.

Ooooo, oooooooo, ooooooooooooo

There is a place untouched by thought. Ohohoh,
oooooooooooo

Where everything is met, not sought. Ooooooooooooo

A mysterious place with no form.

Yet this space can also transform.

Silence brings this place to light,

And a knowing of never needing to fight.

I am, that is all,

Then silence will fall.

Ooooo, ooooooooo, ooooooooo

I am, that is all,

I am, that is all.

Ooooo, ooooooooo, ooooooooooooo

There is a place untouched by words. Ooooo, ooooo,
ooooooooo

Where everything met, is purely heard. Ooooo, ooooo,
ooooo

I am, that is all,
Then silence will fall.

I am, that is all,
I am, that is all.

Ooooo, oooooooo, ooooooooooooo

Everything that comes and goes has been in this
untouchable place. Ohohohoh

When nothing comes after the words I am, what remains
is the utmost grace.

I am, that is all,
Then silence will fall.

Ooooooooooooooooo

I am, that is all,

I am, that is all.

Ooooo, ooooooooo, ooooooooooooo

I Am

Oh,ohoh, ooooooooo

I Am
