Get Out of the Way

Lyrics by Cindy Olejar

Mmmmm, mmmmm, mmmmmm, mmmmmm

A snow capped mountain, breathing fresh air.  
An erupting volcano, an ash falling affair.

The dark and cold from a solar eclipse.  
The glow and warmth of a fire lit.

All seven colors in a full rainbow display.  
Shades of grey on a cloudy day.  
Mmmmm, Ohhh, Ohhhh, Ohhhh, Ohhhh

Get out of the way, leave thoughts at bay,  
Then you will know what is at play.  
Ooo, Ooooo, Oooo, Oooooo, Oooo  
Oooo, Oooo, Oooo, Oooo, Oooo, Oooo

A mansion on a beach tucked away.  
A rambler on the side of a freeway.

A person without food or a place to cook.  
Another with an abundant organic nook.

Someone working their number one dream job.

Another who often gets fired and robbed.

Oooo, Oooooo, ooooo Ohhh, Ohhhh, Ohhhh, Ohhhhh

Get out of the way, leave thoughts at bay,

Then you will know what is at play.

Ooo, Ooooo, Oooo, Oooooo, Oooo

A fish scooped up by a bear at dawn.

A deer gently bathing her new born fawn.

A neighbor yelling profanities.

A nun praying for humanity.

Some couples live happily ever after.

Others fight, project and get shattered.

All an expression from the same One.

Not easy to see how this can be done.

Thoughts point to a certain degree.

Non-attachment to thinking is the ultimate key.

Mmmmmm, mmmmm, mmmmmmm, mmmm

Oooo, oooooo, ooooooo, ooooooooooooo

Be still to know you shine all that comes.

Ooooooooooooo, ooooooo, ooooo

Getting out of the way, brings light to this One.

Mmmm, mmm, mmm, mmm, mmmmm

Ooooooooooooo

Getting out of the way, getting out of the way,

Brings light to this One.

Mmmm, mmmmm, mmm, Oooo, ooooo

Ooooo, oooooo, ooooooo

Getting out of the way, getting out of the way,

Brings light to this One.

Oooo, oooo, ooooo, ooooooo,

Oooo, ooooo, oooooo, ooooooooooooo

Be still to know you shine all that comes.

Ooooo, ooooo, ooo, ooooo, ooooooo

Getting out of the way, brings light to this One.

Mmmm, mmm, mmm, mmm, mmm, mmmmmm

Mmmmm, mmmm, mmmm, mmmm, mmmmmmm
