Less is More

Lyrics by Cindy Olejar

Light

Easy

Soft

And slow

The less you think, the more you'll know

Less is more

Less is more

(Instrumental break)

Worrying less about the future,  
Now more presence is here to nurture

The less you regret about the past,  
Now more of life will be a blast

(Instrumental break)

Light

Easy

Soft

And slow

The less you think, the more you'll know

Less is more, less is more

(Instrumental break)

The less you follow thoughts of fear,  
The more you can be and stay right here

The less in life that you compare,  
Now more in life you can dare

(Instrumental break)

Light

Easy

Soft

And slow

The less you think, the more you'll know

Less is more, less is more

(Instrumental break)

Caring less about what happens,  
Now there is room for more compassion

The less in life that you judge,  
Now there can be more peace and love

(Instrumental break)

Light

Easy

Soft

And slow

The less you think, the more you'll know

Less is more, less is more

Less is more

Mmmm, mmm, mmm, mmmmmmm

Mmmm, mmm, mmmmmmm
