Without a Name

Lyrics by Cindy Olejar

Oooooo, oooooo, oooooooooooooooooo, oooooo

Whatever is seen, comes and goes.

And what is this to show? Ohohohoh

All that changes and does not remain,
Reflects to that without a name.

Ohohohohoh, Ooooooooo, Ooooooooooooo, ooooo

Like a candle holds a flame aglow.

The unnamed holds what comes and goes. Ohohohohoh

Even in flickering times,

This unnamed has an unwavering chime,

A peaceful nature, not in time.

And a knowing everything is always sublime.

Whatever is heard, comes and goes.

And what is this to show? Ohohohohoh

All that changes and does not remain,

Reflects to that without a name.

Like the sky illuminates clouds above,
The unnamed illuminates all, fit like a glove. Ohohohohoh

Even in thunderous times,
This unnamed has an unwavering chime,
A peaceful nature, not in time.
And a knowing everything is always sublime.

Whatever is felt, comes and goes.
And what is this to show? Ohohohohoh

All that changes and does not remain,
Reflects to that without a name.
Ohohohohohoh, Oooooo, Ooooooooooooo, ooooo

Like a screen, a backdrop for a movie or show,
The unnamed, a backdrop for happenings to flow.
Ohohohohoh

Even in polarizing times,

This unnamed has an unwavering chime,
A peaceful nature, not in time.
And a knowing everything is always sublime.

All that changes and does not remain,
Reflects to that without a name.
Ohohohoh, oooooooooo, oooooooooo

Be still to know this unwavering shrine
A peaceful nature, not in time.
Ohohohohohoh, Oooooo, Oooooooooooooo, oooooo

Be still to know the unnamed one.
Ohohohoh, oooooooooo, oooooooooo, oooooooooooooooooo
Be still Ohohohohoh, Oooooo, oooooooooo, oooooooooooooooooo
unnamed one.
Ohohohoh, oooooooooo, oooooooooooooo
