## Unlocking the Potential of Facilitative Leadership

### From Directive to Empowering Leadership

Leaders in the prevention field feel unsure of how to lead differently. They find themselves in a cycle of assigning tasks without truly connecting or inspiring others. We understand the challenge and are here to guide you from just managing people to impactful leadership.

**Angie Asa-Lovstad

Join the next cohort and discover the HOW TO of prevention leadership. Our experienced coaches and facilitators bring their passion and expertise to create a learning experience that connects, sparks new ideas and ignites the change you seek. Don't miss out on the opportunity to foster connections, ignite self-understanding and shape the change you want to see in yourself and the world.

### Understand Self

Discover what it takes to be a successful prevention leader. Understand your personality and how it affects your interactions with others. Unleash your potential and become the best version of yourself.

### Understand Others

Shifting the leadership narrative. How to inspire your team to work more effectively and efficiently with a facilitative and coaching leadership style.

### Become a Change Maker

There's a lot of talk about community engagement but not enough practical advice. That's why we're sharing the processes and tools that empower prevention leaders to engage their communities as facilitative leaders.
