CABINET ASSEMBLY

Accentuate the linear flow of your modern cabinet with Evolution's Metal C-Channel by avoiding visually distracting hardware pulls or knobs in your design.

Opt for a smooth and uninterrupted design with Evolution's NAC C-Channel assembly. Finished in the same material as your cabinet for a sleek and timeless look.

DRAWER BOXES

Superior, hand-built, hand-finished custom cabinets made by people who truly love what they do.

NAC's dovetail drawer boxes offer the perfect balance of beauty and strength, available in 3 hardwood finishes.

- Birch
- Walnut
- White Oak

NAC's metal drawers boast a feather-light glide, even for your heaviest drawers. The slim, elegant box system has metal sides and is finished with a melamine base and back. Available in numerous modern finishes.
