WHY US?

Elite Golf Events was founded by Chris and Ryan, two lifelong golf enthusiasts who recognised a growing need for high-quality, professionally managed corporate golf experiences.

Drawing on their combined backgrounds in event management, business development, and competitive golf, they set out to redefine what a corporate golf event could be - blending precision planning with the prestige and enjoyment of the sport.

YOUR HOSTS

Chris Hanson
**Former DP World
Tour Player**

After several years on the DP World Tour, Chris has significantly expanded his focus to coaching and event-based work. He co-founded the 2020protour, a golf tour designed to offer more playing opportunities for professional and elite golfers throughout Europe.

“Having lived my dream of competing on the DP World Tour, I now use those years of experience in my roles as a coach, event organiser, player manager and Tour Director.”

TESTIMONIALS

Thank you so much for arranging our annual golf day. The day was run very professionally and extremely well organised, we just turned up and enjoyed the day.

I would definitely recommend Elite Golf Events to any company and we personally look forward to an even bigger event next year

S Ainge – Ferox.
