Freckled Fig Catering LLC

A former longtime business executive transitioned to the food industry with the March 23 start of Freckled Fig Catering LLC in Nixa. Pam Hedgpeth leads a three-employee staff at the catering company that serves the southwest Missouri area. Hedgpeth declined to disclose startup costs, which included the purchase of a 1,000-square-foot house zoned for commercial use at 425 N. Main St. Menu options include pastas, tamales, quiches, soups and sandwiches. The property can host small events up to 35 people, she said, adding Freckled Fig currently offers curbside and delivery service amid the coronavirus pandemic. A daily inventory of pies, cupcakes and cookies is available, as well as a take-and-bake menu. Hedgpeth worked for 18 years with Tuthill Vacuum & Blower Systems, most recently as director of business services.
