SIBLING SUPERSTARS

Autism Sibling Support Group

Being a brother or sister to an autistic sibling can be both difficult and rewarding. Some siblings have a very hard time coping with the effect of their brother or sister's disability on their family, school, and social life. Acknowledging their feelings about being a sibling to an autistic child is one of the most important things we can do to help them.

How does it work?

Our Sibling Superstars group is for children aged 6+ who can meet others in a similar position. Our group meets once a month at Toby House or sometimes out in the community. Invitations are emailed out on a monthly basis. There's no obligation to come to every session; we know that not everyone likes the same thing.

To register your interest for Sibling Superstars please email lynda.richardson@ttht.co.uk.

MATES Juniors

Our social group for autistic children aged 9-12

What does MATES stand for? Meet At Toby's & Engage Socially!
MATES Juniors is an exciting monthly programme of events and activities for autistic children and young people aged 9 to 12 who have, or are awaiting a diagnosis of autism. It offers fantastic chances to take part in brilliant social activities whilst making friends in a completely relaxed and non-judgemental environment.

At MATES Juniors we love getting together at Toby House for movie and games nights and enjoying food together. We even have a tuck shop where we can buy some treats and develop our independence. We sometimes go out in the community and visit new places.

How does it work?

Invitations are emailed out on a monthly basis and will include further information about the session and when it will be taking place. There's no obligation to come to every session; we know that not everyone likes the same thing. That's why we like to mix it up!

Seniors

Our social group for autistic teenagers and young adults

What does MATES stand for? Meet At Toby's & Engage Socially! MATES Seniors is an exciting monthly programme of events and activities for young adults aged 13+ who have, or are awaiting a diagnosis of autism. It offers fantastic chances to take part in brilliant social activities whilst making friends in a completely relaxed and non-judgemental environment.

At MATES Seniors we like to listen to what our young people want to do, so we're always up for their suggestions, no matter how wacky they may seem! Some of our favourite things to do involve games and film nights at Toby House. We also go out in the community together and previously we have been to the pantomime, bowling, restaurants and lots more!
