

Greetings Parents and Families!

Jordan and AJ Pitkin along with Kyle Bible are your 2018 Family Camp Program team! We feel privileged to build a creative and fun platform for relationships to deepen between you and your kids and for Christ to be proclaimed. Having said that, here are some things you'll want to bring and prepare for to make sure the weekend is extra awesome:

- ✓ One (1) set of clothes that can get really messy (make sure you have one pair of closed-toe shoes and know that they will get muddy). Lost Canyon has an awesome Obstacle Course that will leave you and your families covered in mud. Don't overthink this, but if you want to wear dark or camo-covered clothing...we think that'd be awesome!
- ✓ Family Unity outfits (this is something you can arrange to make sure your family is a **TEAM**). You can be as crazy and extravagant or as thrifty as you want. Paint and/or the 99cent store will be your best friends in this regard (i.e. Super Heroes, Pirates, Lumberjacks, etc.) FYI, you will be paired/united with other families for the event, but we want **YOUR FAMILY to stand out!**
- ✓ "Christmas Attire." Keep it simple. Your family doesn't need to go out and buy anything. We encourage you to bring anything "Christmas" related: red and green clothes, ugly Christmas sweaters, onesies, etc. Santa Claus might even show up for pictures!

If you have ANY questions, please email AJ Pitkin: ajpitkin@gmail.com

If there is anyone in your family that we can be praying for in advance, please send us their names. We'll see you at Lost Canyon! May the Lord have his way completely.
