March 30th, 2022

Yesterday evening, gubernatorial candidates gathered at the Deltaplex, Grand Rapids, to share their visions and values in front of an audience of around 250, mostly from the Grand Rapids area.

Candidates Ralph Rembandt, Michael Markey Jr., Ryan Kelley, Bob Scott, and Evan Space, spent time with voters before taking to the stage to speak about their values and policy platforms.

Forum moderators Aubrey Shines, host of America Shines, and journalist, April Moss, followed up by asking each candidate questions about faith, integrity, and their commitment to bringing the Biblical values that once defined government service and are the foundation of our constitution, back into the halls of power.

Michigan CFF was joined by media partners, Real America's Voice, and Salem Media Group, as well as by values partners from around the state.

Despite the weather advisory in effect, the audience was engaged and lively.
