## **A WORKSHOP SPONSORED BY THE CMBSC LAYMEN**

### **How to Attract Young People to the Church and Keep Them**

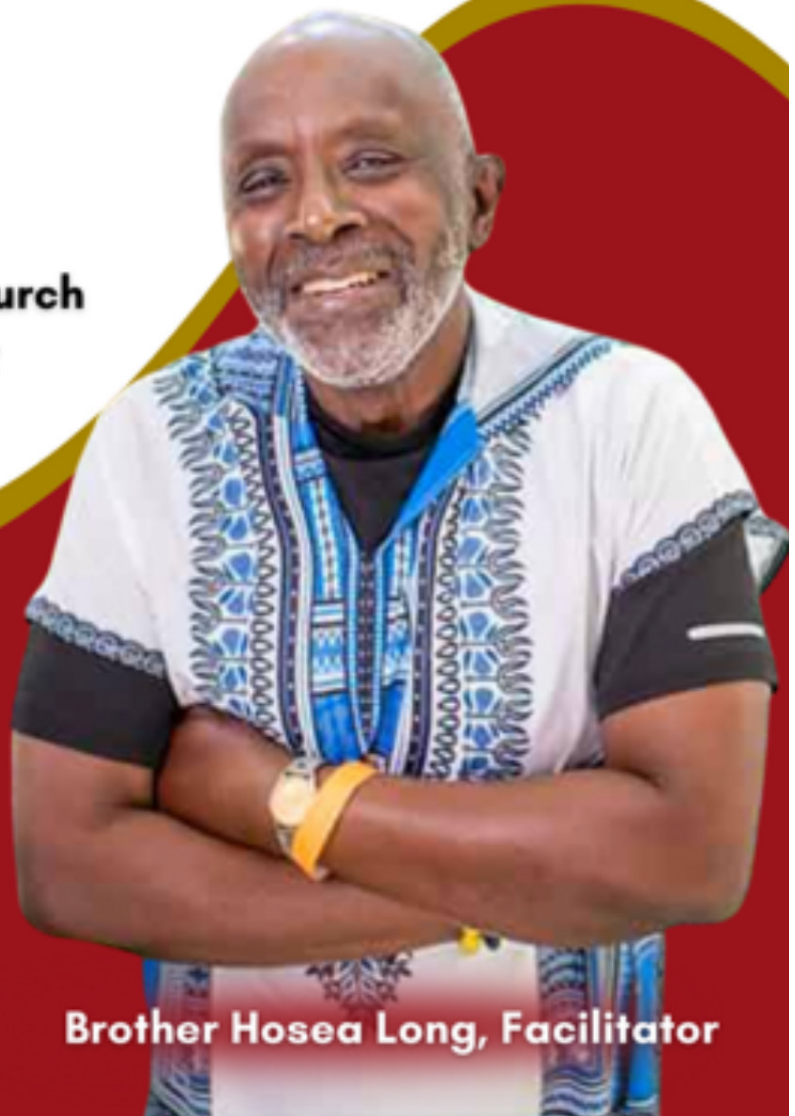

This workshop addresses the critical issue of declining youth church attendance. It explores reasons young people give for not attending church and offers strategies to attract and retain them. As Baby Boomers age into their sixties, preparing younger generations for church leadership is essential for the future of the Church. Join us to discuss both evangelistic approaches and retention strategies for youth engagement.
