

Greetings from the CMBSC,

In an effort to continuously and graciously fund the tremendous work and projects of our convention, we are asking your church to consider giving on a monthly basis. Churches with less than 200 members are asked to consider contributing \$100.00 monthly or \$25.00 per week. Churches with memberships of 200 or more are asked to consider contributing \$150.00 monthly or \$37.50 per week. We understand that this request may not be feasible for every church. However, your contributions will help in the following areas:

- Sustain our new convention headquarters located on the campus of Arkansas Baptist College.
- Provide operational funds for ABC throughout the year.
- All funds from your church will go toward the registration in our various annual meetings such as our Extended Session and Annual Session.
- To provide support for our ministries.

We are asking you begin mailing your contributions immediately to CMBSC, P.O. Box 34130, Little Rock, AR 72203. In this effort we ask that you continue to register this year in the Annual Session. Thank you again for all you do to ensure that our convention is able to sustain the current issues and those we may encounter in the future. If you have any questions, please contact your regional Vice President or the Executive Vice President.
