Our online programs will make it possible for you to pursue your goal and increase your knowledge in Christian Education, even with a busy schedule.

When you take classes online, you can find the time to balance life with work and school allowing you to take your classes anywhere there's an Internet connection.

With our Online Learning System, you can collaborate with virtual classmates from any state in an interactive and participative environment.

**August 9th- August 16,2020**

**Cost of the class: FREE**

**All classes are certified**

**Arkansas, Louisiana and Texas**

## 7014 Equipping Layperson to Service
