TO: The Consolidated Missionary Baptist State Convention of AR, Inc.  
Congress of Christian Education

FROM: C. Dennis Edwards, I President  
CMBSC, Inc.

REF: CMBSC Christian Education Congress –June 8 – 12, 2020

Greetings to the CMBSC Family:

As we continue to monitor the spread of the Covid-19 virus, we yet remain prayerful and optimistic. We have made diligent efforts to take proactive steps to assure the safety of our Consolidated churches and members; however, many tough decisions have had to be made.

Due to this ongoing health crisis, and because we are firmly committed to doing our part to lessen the virus' impact on our churches and communities, it is with much prayer and consultation with Congress President D. L. Richardson and Dean Freddie Smith that we have decided to **CANCEL** the 2020 Christian Education Conference, scheduled to be held June 8 – 12, 2020 at First Baptist Church-Main Street in North Little Rock, AR.

As an alternative, we are in the process of working to make ON-LINE Courses available to those of you who were planning to take classes during the session. Unfortunately, this may be an inconvenience for some of you; however, we are all aware of the deadly consequences of this virus, and the health and well-being of each of you is of high priority.

In the meantime, as Christians, and as a Christian organization, the most important thing that we can do during these uncertain and fearful times is to LOVE and HELP one another, PRAY for one another, and follow the advice and safety recommendations that have been set forth.

Let us be of good courage, exercise faith over fear, and trust God's word that he will never leave nor forsake us." Deut: 31:6. Additional information regarding this will be forthcoming.
